## Local Churches Combine Efforts to Feed Thousands

CHRIS PAUL  
LONDONDERRY TIMES

A number of local churches gathered at St. Peter's in Londonderry on Saturday morning, Oct. 20 to help prepare 29,000 meals for needy families in the Granite State.

Saturday's event was largely orchestrated by Lee O'Connor of St. Peter's Episcopal Church, who helped

raise over \$7,250 in donations, with the other four churches, to be able to purchase the ingredients for the meals.

Matthew Martin, Regional Manager and National Faith-based Coordinator with the Outreach Program of New Hampshire came to the church that morning with the supplies necessary to feed

## Wallace Farm Will Accelerate Workforce Housing Project

MIKE BYERLY  
LONDONDERRY TIMES

The developer of Wallace Farm workforce housing project on Perkins Road asked the Zoning Board of Adjustment for a variance to accelerate the construction of the project. In 2013, the project was granted a variance to build 96 rental units per year over a three year period, when at time the town ordinance limited development to 48 units per year.

Speaking for Wallace Farm, attorney Tom Leonard from Welts White & Fontaine PC said that the original financing for

the project was difficult and they did manage to get phase 1 constructed with 96 units, but they are having difficulty securing financing for the next two phases.

With the three years of the original variance now passed, Leonard believed that the original variance now allowed the developer to build all the remaining units on any schedule that they saw fit. Richard Canuel, Zoning Administrator & Code Enforcement Officer, interpreted the past variance differently and has limited Wallace Farm to 96 units per year.

Leonard noted since

the Wallace Farm plans were approved, the town's phasing ordinance has changed to allow building 72 units each year. He added that there is currently no growth ordinance to limit the number of building permits.

He explained that the state law changed to clarify that phasing ordinances are not permitted to be used as growth ordinances, rather they can be used to organize construction of a proposed site.

Board chair Neil Dunn voiced his opinion, that Wallace Farm got everything they wanted from the town with the 2013

## Planning Board Adopts Final Capital Improvement Plan

LYNN THOMAS  
LONDONDERRY TIMES

The Londonderry Planning Board met Oct. 10 at the Moose Hill Council Chambers at 7 p.m. After discussing the emergency procedures and the pledge of allegiance, Chairman Art Rugg quickly moved through Administrative Board Work, as there was none. He proceeded straight to the Other Business, a Public Hearing for the adoption of the FY 2020-FY 2025 Capital Improvements Plan. Rugg complimented the members of the Capital Improvement Committee for doing the "grunt work." Town Planner Colleen Mailloux reviewed the

proposed projects.

The first project to be completed would be improvements to drainage for the Londonderry Town Commons, at a cost of \$235,000. This was recommended for FY 2020. The second project to be accomplished would be a backup to the primary generator at the Police Department at a cost of \$175,000, also slated for FY 2020. The remaining four projects all involve the school district. Improvements to Moose Hill School at a cost of 10.86 million are intended for FY 2021, with district-wide renovations costing 15 million planned for FY 2023. In FY 2024, the auditorium is scheduled at a

cost of 10 million, with plans for a new school in FY 2025 with a price tag of 26 million. The Board had no questions, and there was no comment from the public. A Motion to Adopt the CIP was given by Vice Chair Mary Soares, seconded by Rick Brideau, town employee. The motion was granted 9-0-0 and will be distributed to

# Eddie Edwards Visits with Londonderry Rotary Member

CHRIS PAUL  
LONDONDERRY TIMES

During the Londonderry Rotary Club's weekly meeting held at the Coach Stop Restaurant on Wednesday morning, Oct. 17, members got the opportunity

to question Republican candidate for U.S. Congress Eddie Edwards on what would make him the best choice for their vote on Nov. 6.

Edwards was one of many who were invited to the club's Wednesday

breakfast for a meet and greet, but he has been only one of two candidates that have taken the Rotary up on their offer.

According to member Reed Paige Clark "All of the candidates have been extended invitations to speak."

Edwards started off by giving a bit of history on his career before getting right into questions.

"Just as an overview, I grew up in Atlanta, Georgia, and I've been in New Hampshire for about 30 years, I grew up in an abusive home, where my dad beat my mom quite often and was a drug dealer, my older brother is in prison for murder." He added, "I started with that, to express the importance of family in our country."

Edwards also told people that he learned some very valuable lessons growing up that way. "You

work hard, you pray, you forgive, with self determination and independence. I grew up believing in those things. In America, you don't have to be born on first, second or third base, many of us come from the dugout, but because of our constitution we're all guaranteed a swing with the bat."

He served in the United States Navy and has spent over 25 years in law enforcement. He was a graduate of the National FBI Academy and served New Hampshire as the Chief Administrator Alcohol Prosecutor for a number of years and ten years of legislative experience. He was also Frank Guin-ta's Director of Community Relations. He is married and has raised two daughters in the Granite State.

He said that he firmly believes in term limits and

the stated that he was sick and tired of folks in congress living above us.

"Congress members are provided better pensions and health benefits than most citizens in the country," Edwards said.

One attendee asked Edwards his thoughts on voter fraud.

He responded by saying, "In New Hampshire we have had a liberal voting structure, because we never have believed that voters would lie, clearly that has changed now." He added that when people talk about voter fraud they a labeled as a racist.

"As a black person, I find it very offensive. Do you think that black people are so ill-equipped, that they can't get go out and get an ID to vote?" He followed up with saying the state has allowed this to happen and we have to get back to a real sense of

community.

When asked about his campaign with Chris Pappas, he talked about the YouTube video released minutes after the recent debate saying, "You can't have an honest, open conversation about issues now, without people trying to demonize one another, because that what politics has become. I was disappointed, I thought we had a good debate until you figure people aren't interested in really having conversation, they're interested in political games."

When asked what he can take from law enforcement for his seat in congress, he responded, "The most important thing I've learned is how to work with people you don't like. And, sacrifice, since you're risking a lot to save someone else."

With the festive fall season in full swing, a new signature sign lights and brightens its surroundings in front of Londonderry High School. While Sept. 25 was mainly overcast and rainy, that didn't dampen the student body's excitement, as they observed the arrival of a new electronic message board being installed where the previous sign once stood. Intended to

save time and expense, important messages can be changed daily by school administrators with more efficiency. The outdated sign had to be changed manually. This meant having someone physically remove and replace block letters by hand. Other factors, such as time constraints, winter weather and cost, made it challenging to change messages in a timely manner. While messages that appear will primarily showcase

school information, other intended uses are to inform the community about events or emergencies.

Purchased after hours of fundraising by the class of 2018, the updated sign was presented to Londonderry High School and the Londonderry community

as a gift during the graduation ceremony last spring. Before approval, LHS Class Officers presented and discussed their idea with the Londonderry School Board, the Londonderry Heritage Commission and the Londonderry Town Council.

# Zoning Board Grants Variances To Three Homeowners

MIKE BYERLY  
LONDONDERRY TIMES

Two residents came to the ZBA seeking approval to locate sheds partially within the required town buffer setbacks. Normally, structures are not allowed with 40 feet of the front property line or within 15 feet of the side and rear property lines.

Gladys White of 17 Calla Road sought approval to encroach 11 feet into the 15 foot setback to place an 8 x 8 foot shed. White shared that her husband and she purchased the last lot in Londen Commons and the geography and size of the lot would not allow them to meet the setback

requirements.

She noted that a wall of ledge on their property is too close to the house to fit a shed in the backyard, so she was looking to put in on the left side of the house. After questions from the board about other potential locations on the property, the board voted 5-0 to allow the variance due to the unique characteristics of the lot.

The shed thread continued with John and Diana Marshall also looking for a variance to locate a shed partially within the required front and side setbacks. They sought permission to encroach 3 feet into the

side setback and 15 feet into the front setback for a second shed at their 174 Litchfield Road property.

The requested 10 x 16 foot shed would be on the side of the house very close to the house at 176 Litchfield Road. However, the properties are separated by a fence and very tall and dense trees. Board member Jacqueline Benard asked if an existing shed in the same location would be removed. John Marshall answered that this new shed would be a second shed to store items that are currently in their garage.

The board explored other possible locations on the property that

would be outside the setbacks; however, the proximity of the house to the road, backyard to wetlands, a steep slope, an existing propane tank and a septic system made other options infeasible. In the end, the board voted 5-0 to grant the variance.

In another case, Rene Belanger, Jr. appeared with his father Rene Sr., seeking to construct a single-family home on a lot that had only 50 feet of road frontage when 150 feet is required per the town zoning ordinance.

The 13-acre lot at 64 Chase Road is accessed by a dirt driveway that runs close to the house at

62 Chase Road. Belanger stated that the land has been owned by the family for several decades and that the driveway existed for that entire period and possibly even longer. He also added that there was a good line of sight from the driveway.

Under questioning from the board, it became clear that this driveway in the 50-foot frontage was the only way to access the parcel. Beaver Brook runs along the rear of the parcel and there are neighboring houses on either side.

Belanger plans to build the residence behind the house at 66 Chase Road. Resident Michael Finn who lives

two houses down at 68 Chase Road spoke in favor of granting the variance. Neither direct abutter attended the ZBA meeting to comment on the request.

Laura Gandia, Associate Town Planner, noted that many years ago the town required only a 50-foot road frontage, but that the regulation had been changed to 150 feet. The board voted unanimously to grant the variance because the property is landlocked except for the narrow right of way and granting the variance would not diminish surrounding property values or create a public safety issue.

## Londonderry Grange #44 To Hold Luncheon for Maple Syrup Producers

Members continue efforts to raise \$20K for their "Raise the Roof" Campaign. Interested patrons are encouraged to 'Buy a Bundle' of roofing shingles for \$30. Checks should be made out to Londonderry Grange #44, and mailed to same at 260 Mammoth Rd., Londonderry.

On Monday, Oct. 29 they will host the final meal for the 2018 International Maple Syrup Institute (IMSI) and North American Maple Syrup Council (NAMSC) annual conference. They will be welcomed into the historical building to be offer sev-

eral kinds of soup, sandwiches, hot mulled apple cider, cookies and water as a fundraiser. The guests will arrive from Concord, NH concluding a weekend of business meetings, updates on the latest technology, news and research. The conference also holds competitions amongst the members. Categories will have included: photography, dry sugar, candy, cream and maple syrup.

Seventy members of American and Canadian maple products industries set up the US-Canadian Maple Committee in 1975. Their mission was to pro-

mote and protect the marketing of PURE maple products worldwide. They founded the IMSI as a non-profit funded by membership dues, voluntary project contributions and, occasionally grants from the Government of Canada. This partnership includes states as far south as Delaware and west to Wisconsin has as well the Canadian Provinces. At that time the world's largest sugar bush (group of maple producing trees) which had 125,000 taps that spanned Michi-

gan and Wisconsin owned by one farm. In recent years the IMSI has standardized the definitions, grades and nomenclature for pure maple syrup. These are now known as light, amber and dark. Few people realize what a burgeoning world-wide industry sugaring has become. It includes maple syrup producers, maple packers, maple equipment manufacturers and marketers. The cooperation of all maple organizations fosters a framework for communication of infor-

mation as well as important diplomatic exchange.

Most all kindergarten and pre-school in NH have visited their own community "Sugar Shack" as a staple field trip in the spring; usually in March. These often small although sometimes very large operations are each an independent member of NAMSC just one piece of this world-wide industry. Having the honor of hosting the annual conference was a long-time dream of

the former Grange Master Henry "Hank" Peterson. Sadly he passed away in 2015. He was born in Wisconsin and eventually settled in Londonderry, where he farmed, raised beef cows, worked at Mack's Apples in the fall harvest season and sugared at Peterson Sugar House. He would be proud to know the Grange, which he supported and carried through a period of declining membership, continues to be reinvigorated.

## Have a Safe and Happy Halloween

Halloween arrives Wednesday night this year, a midweek treat for the young, and a fun-filled reminder of years of trick or treating for those of us well past the days of going door to door for candy with a pillowcase. Because for many of us, regardless of age, Halloween is our holiday favorite, a day we look forward to for weeks. For children, there's something that can't be beat about dressing up, heading out after dark and walking up to neighbors' homes, and filling a bag with free candy and other treats. The day is not about horror it's about fun.

We can expect police to be out in force on that night, as the little ghosts and goblins, witches and princesses, devils and lots of zombies let's not forget all the super heroes parading along local streets. It means that our usual midweek activities like shopping or heading home from a tiring day at work can put children at risk as they go about their rounds.

We want take this opportunity to remind everyone to drive especially carefully on Halloween, both during the day and night, and to pay close attention to pedestrians. We also want to remind parents that children's costumes should feature light colors or reflective tape so they can be seen in the

early darkness that the season brings, and to make sure young children travel in groups, under adult supervision, with everyone carrying flashlights or glow sticks.

The New Hampshire State Police offer the following tips to make Halloween safe as well as spooky: Keep costumes short to prevent trips and falls. Use make-up instead of a mask, so as not to obscure vision. Instruct children to stop only at familiar homes where the outside lights are on.

Tell children not to enter the homes or cars of strangers. Remind children not to eat any of their treats until they return home. Keeping safety and common sense in the forefront, and focusing on having FUN on what we hope will be a crisp and clear fall night is after all, the stuff of good memories.

There's something special and very New England about the sight of a lighted pumpkin on the porch in the Halloween dark. Go a head, put on a mask or a witches hat as you prepare to answer the door when it rings. If you want to get especially spooked, just remember what happened a few years ago, when trick-or-treating was postponed while we shoveled out from an early and damaging snowstorm.

## Thank You Janusz

To the editor,

I recently joined Janusz Czyzowski, Director of Public Works and Engineering from our Public Works Department, on a tour of Londonderry's roads and infrastructure. From the Town Drop-Off Center to the culverts and current sewer project, we discussed the needs and the issues facing our growing community. The recent infusion of dollars from the state was a help, but maintenance projects are expensive. I was especially interested if there were any obstacles in the way in terms of state policies that could prevent Janusz from doing his job. Obviously, budgetary issues are always in the forefront. Mr. Czyzowski has many projects needed to be done and does a fine job managing the town's resources. I want to thank Janusz for providing me the opportunity to gain insight into our infrastructure and hope to do another round in the future.

## Vote Nov. 6

To the editor,

As a nation, a state, and a community, we are at a crossroads this election cycle. Your vote does count! Vote against the propaganda from progressives: socialists and communists. Vote against those who practice smear politics, i.e. those that bring forward and or are false witnesses. Vote for our constitutional republic to stand strong and weather these divisive assaults. Vote against those who knowingly or

unwittingly are applying Saul D. Alinsky's Rules for Radicals. Vote to keep us "one Nation, under God, indivisible". Vote for these candidates who will uphold their oath of office, act for the benefits of all citizens regardless of political party affiliation, and perform their duties with integrity. Vote for: Governor-Chris Sununu, Congress -Eddie Edwards. Executive Council-Ted Gatsas, State Senator-Sharon Carson, State Rep.- Al Baldasaro, Tom Dolan, Roger Fillio, David Lungren, Betsy McKinney, Sherman Packard, Doug Thomas, Sheriff- Chuck Massahos, Co. Attorney-Patricia Conway, Co. Treasurer: Scott Priestley, Reg. of Deeds: Cathy Stacey, Reg. of Probate-Ray Tweedie, Co Commissioner Kevin Coyle.

## Great Job Police Department

To the editor,

I just wanted to write in response to an article in last weeks paper about the police department holding a skate session at the town skatepark and the efforts they put in to fixing up the park.

What the police in this town are doing is a fantastic example of what it means to be a police officer in a community. They are building a bond with the youth, and with a certain group of youths that typically used to carry a certain stigma with them. Being one of those persons that carried that stigma with them growing up, I am proud to say I live in a town where the police are making real efforts to connect with, and improve their community in

which they serve. Keep up the good work.

And to everyone else that constantly write in about why their side is better than the other and blah blah blah. Take something from this. These are 2 groups of people (wether you're aware or not) that in the past have clashed with each other. We all have more in common than we think and should start focusing on those things instead of trying to divide ourselves. A lot more can be accomplished.

## Gosnell Movie

To the editor,

I had the opportunity to see the Gosnell Movie in Hooksett Saturday. I was expecting to gain some sort of insight into the man. My hope would be to find a way to prevent this in the future. Yes, Kermit Gosnell was a sick twisted individual. What should I expect of someone who wakes each morning and goes to work killing children? He was inducing labor on the mothers of full term babies and once born, alive and breathing, he hacked their necks and killed them. A true serial killer (and getting paid by the government to boot).

He explained that laws and regulations did not apply to him. He believed 20 minutes of training to a 15 year old assistant was equivalent to years of university training and certification. His rationalization was that no one complained. I realized that Gosnell could not break this many laws and go unnoticed.

What made this horror

the Town Council, the School Board, and the Budget Committee.

The next order of business was a Public hearing for the adoption of organizational and other amendments to the Londonderry Zoning Ordinance. Mailloux explained, "These are organizational changes.. cleaning up definitions to be more user-friendly." She stated that all the information is available

on the town website for the public to review. Leitha Reilly, board member, questioned why impact fees have been removed, and Chairman Rugg explained it was a policy decision made by the Town Council after review by the Town Attorney. Town Planner Mailloux added that aside from town policy, the section of impact fees was outdated and would have needed a complete update for the town to be able to enforce it.

Leitha Reilly said that

she "has been looking at other towns regularly and they seem to have no trouble with impact fees." She asked if impact fees were to be put back in, would the whole section have to be rewritten. Town Planner Mailloux stated it would. Ann Chiampa, alternate, asked if there was any record of what each project has paid related to impact fees. Town Planner Mailloux stated that there was not, but the practice in Londonderry for the last cou-

ple of years has been that the developer is required to do improvements related to their buildings instead of writing a check to the Town. Chairman Rugg opened it up to the public for questions and there were none. Vice Chair Soares made a motion to recommend to the Town Council to adopt the changes and Rick Brideau seconded. The Motion was granted 8-0-0.

The final discussion centered on the Master Plan Implementation Advisory Committee. Town Planner Mailloux asked for the consensus of the Board on whether the Master Plan Implementa-

tion Advisory Committee should be reinstated and continue their work or if the Board felt that Staff could continue the work alone. Town Planner Mailloux noted that it has been a year since the Master Plan Implementation Committee has met. Chris Davies, Secretary, felt that Staff and the Planning Board could continue the work at this point and there was no need for the committee. The other members of the Board agreed with Davies.

Al Sypek, member, asked if there was anyone present that was on the committee that could provide some insight. Martin

Srugis, 17 Wimbledon Drive, addressed the Board. He noted that the committee had no regulatory power to enforce a regulation of the master plan. He said he agreed with Davies that Staff and the Planning Board should continue the work. Chairman Rugg thanked the current and past members of the Master Plan Implementation Committee for all their hard work. Sypek made a motion to terminate the Master Plan Implementation Committee. The motion was granted, 9-0-0, and the meeting adjourned at approximately 7:50 p.m.

# State Rep Candidates Share Their Thoughts Before Election

There are an equal amount of republican and Democratic candidates running for State Representative in District 5 on the Nov. 6 Election.

We asked those running to supply the Londonderry Times readers with a brief description of why they would be the right choice for voters. What follows are their responses.

## REPUBLICANS

### Al Baldasaro

Thank you, to all the Londonderry voters who have supported me for the past 12 years. I have been consistent on my belief of Less Spending = Less Taxes on our property/business owners. Yes, I am a loud voice on many issues, looking out for our elderly, Veterans and making sure Londonderry gets its fair share of Adequacy educating Funding. I am a proud supporter of School Choice because as a father of 7 children, I do not believe one size fits all. I am running for my seventh term, to ensure that we maintain our NH Advantage, where we ensure NH continues to stay a safe state to raise a family, work and by keeping government out of your pockets, so you can continue with your quality of life and I will continue to look out for you.

### David Lundgren

Please consider voting for me on November 6. My name is David Lundgren I am a 41-year resident and business owner. I am running for re-election as your state representative. I have been active with the veteran's community working with Veterans Count and serving on the State Federal veterans committee at the statehouse. This upcoming term I will propose an alternative treatment for veterans and the general public. While at a meeting at the Whitehouse I met with the Director of drug abuse and the Under Secretary of Veterans Affairs of which I presented a rough draft. I love our town and would be honored to serve again as your Representative.

### Doug Thomas

"I'm running for my third term to keep policies that made NH the top performing state, fight against more taxes and to continue to look for ways to lower electric bills without subsidies. I'm against all broad based income and sales taxes, strongly support the 2nd Amendment, and oppose all efforts to impart any sanctuary status. I support local control of schools and also support a parent's choice of what schooling works best for their child. I have a strong record against mandates that would raise

property taxes or create more government overreach. The state has done well under the present legislature. I'm proud of our accomplishments and of our lowest unemployment rate in the area, but more work needs to be done. If elected again, I will continue to represent Londonderry in the same manner."

### Roger Fillio

I am a candidate for state representative in Londonderry. I bring experience, serving 35 years in the Army, 30 years as a justice of the peace, 25 years on boards of nonprofits. I have worked with helping seniors and I am a senior myself. I have served on the heritage committee, conservation committee, and the planning board. I have owned and operated several small businesses. A father, who with a lot of help from my wife raised two successful children, lived in New Hampshire for 50 years 44 of them in Londonderry. A conservative, I believe in the U. S. and the New Hampshire Constitutions. I am a strong believer in the first and the second amendments. After pay federal income taxes for more than 60 years makes me a fiscal conservative. I will make a difference in the future of our state, I humbly ask for your vote on Nov. 6.

### Tom Dolan

As a Town Councilor in Londonderry, first elected in 2001, I have served the community for 18 years. You know me and my responsible professional leadership on full display here in town. I have directly seen and felt the impact of state legislation flowed down to the town and its residents. While testifying in Concord on several legislative efforts, I've wanted for years to help serve in Concord to provide more direct feedback of how what is done in Concord impacts our local community. Now that I'm a retired engineer, I can indeed give the time and energy that our residents expect. And be assured that I will never support an income or sales tax in NH

### David Lundgren

Please consider voting for me 11-6-2018. My name is David Lundgren I'm a 41 year resident and business owner. I'm running for re-election as your state representative. I've been active with the veterans' community working with Veterans Count and serving on the State Federal veterans committee at the statehouse. This upcoming term I will propose an alternative treatment for veterans and the general public. While at a meeting at the Whitehouse I met with the Director of drug abuse and the Under Secretary of Veterans Affairs of which I presented a rough draft. I love our town and would be honored to serve again as your Representative.

### Betsy McKinney

Think the major reasons I feel confident to ask for your vote is that I have the experience and time to devote to hopefully be a good representative for Londonderry. I've lived in town for some 70 years, held several elected and appointed positions in town government and I'm retired.

When first elected I was advised by senior member of the House to read a bill and determine if it was necessary and solved a problem. Simple, good advice but think the big question is how does this affect Londonderry and its citizens? The other thing I always remember is that the people who prowl the halls of Concord urging a vote for this or that bill are not the ones who elect me and my choice should always be what is best for my constituents.

## DEMOCRATS

### Luisa Piette

Luisa Piette is an experienced corporate communications executive with background in broadcast journalism and international law. My desire to promote democracy and American values began almost three decades ago, when I joined the Voice of America (VOA) in Washington, DC. I hold a Master's degree in International Law and a BA in Government.

I am a great communicator, news anchor and writer, with fluency in

more than five languages. Luisa and her husband Matthew moved to Londonderry a mere few years ago, attracted by the town's semi-rural beauty and efficiently run local government.

"I am excited to run for State Representative of Londonderry. If elected, I will focus on fighting to protect our most vulnerable citizens, veterans, students, small businesses, and to ensure Medicare and affordable healthcare for all. I am also eager to help end the opioid crisis.

### Paul Skudlarek

I've lived in Londonderry for over 18 years. Along with my wife Robin, we've raised two sons in town both educated through the Londonderry schools. We've established deep roots here and made it a point to get to know our town and our neighbors. Now that my kids are young adults, and are beginning to establish their independent lives and careers, I was drawn to the idea of finding ways to contribute to their futures, and to my community's future, in other impactful ways. As State Representative, I hope to bring a fresh and optimistic perspective to Concord that respects democratic values and institutions, and provides a check on forces that oppose those values.

### Robin Skudlarek

I've been a Londonderry resident for 18 years, raised our two boys here, along with my husband

# Carson and Siekmann Running For State Senate Seat

Candidates Sharon Carson and Tammy Siekmann are running for the District 14 State Senate seat in the Tuesday, Nov. 6 election.

We asked each candidate to supply the Londonderry Times readers with a brief description of why they would be the best choice for voters. What follows are their responses.

Sharon M. Carson

## Sharon M. Carson Republican

As your representative in Concord, I have always focused on my constituents, on understanding the specific issues facing each community, and

working on legislation that will positively impact working families and small businesses.. I reach across the aisle to work with my colleagues on any issue that will benefit our citizens. Because of this, I was selected as New Hampshire's most

Tammy Siekmann

## ΣTammy Siekmann Democrat

Tammy Siekmann is a community leader and activist from Londonderry, where she and her husband Tim raised their three daughters.

Tammy's leadership skills have been put into practice since 1988, when she was a coach for the U.S. Olympics Gymnastics team. Since then, she has served on Londonderry's Old Home Days Committee, the advisory board of the Londonderry YMCA, and as a member of the Planning Board Implementation Committee.

Tammy Siekmann's priorities include:

- Fighting the opioid

epidemic with all possible resources, including making healthcare affordable for all NH residents.

• Working to accomplish bipartisan goals such as developing infrastructure like the commuter rail to Boston and

affordable family housing. • Sponsoring and supporting legislation that helps make higher education accessible for all New Hampshire residents and fighting for more funding and resources for our K-12 public schools

Paul, and have instilled community activism into both of them by being active in the community myself. I began working in politics in 2012, am vice-chair of Londonderry Democrats as well as held a lead role with Moms Demand Action. I am passionate and will advocate for common sense gun laws, protection of the affordable care act, the opioid crisis, Women's rights, Worker rights, strong environmental protection and so much more. I will give the time and passion that I have to bettering our town of Londonderry that I love so much, as well as our state, and bring a balanced voice to the state house if I am elected.

anced voice to the state house if I am elected.

## Anne Warner

I have lived in Londonderry for thirty-six years. For the last ten years, I have been privileged to serve as a Supervisor of the Checklist. I find that I would very much like to help improve New Hampshire's voting laws. (And our other laws.)

My Bachelor's Degree in History, and graduate studies in Public Policy have helped me prepare for this. I am running to help make New Hampshire an even better place than it already is to live and work.

## OBITUARY

### Richard E. Sutton

Richard E. Sutton, 76, of Manchester, NH, formerly of Milan, NH, died Saturday Oct. 20, 2018. He was born in Derry, NH on July 29, 1942, the son of the late Thomas and Loretta (Royer) Sutton. He attended Pinkerton Academy in Derry, Class of 1961. After his marriage to Jeanne Marie Cloutier in 1963, they raised their family in Derry and then Chester, NH. Richard was an active parishioner at St. Thomas Aquinas in Derry and most recently at St. Elizabeth Seton Church in Bedford.

Richard was employed as a truck driver for many years for Brockway-Smith in Andover, MA, retiring in 2004. He served as a volunteer firefighter for the Derry Fire Dept. Richard was Henry Fonda's personal chauffeur during the filming of On Golden Pond. He wrote about his experience in his book Memories of On Golden Pond. He was an avid fisherman and enjoyed bird watching. Richard also enjoyed watching Boston sports teams.

He is survived by his five children, Robin Gile and her husband Paul of Londonderry, NH, Thomas Sutton and his wife Kari of Berlin, NH, Melinda White and her husband Michael of Campton, NH, Rebecca Gallo and her husband Michael of Bedford, NH, and Kathleen Cochrane and her husband John of Manchester, NH; 21 grandchildren; eight great grandchildren; two sisters, Marlene O'Keefe of Arizona, and Connie Creedon of Manchester. He was predeceased by his wife of 54 years, Jeanne Marie (Cloutier) Sutton of May 22, 2018.

In lieu of flowers, memorial contributions may be made to Toys for Tots.

# Ballot Will Have Two County Commissioner Candidates

During the Tuesday Nov. 6 Election, voters will be asked to choose between two candidates this year for County Commissioner. Both names will be familiar to Derry voters since both have either been, or are currently a Derry Town Councilor. Joshua Bourdon is running as the democrat candidate and Kevin Coyle, who currently holds the County Commissioner position, is running as a republican.

Each candidate was asked to submit a brief description of why they are the best choice.

**Joshua Bourdon**  
Constituent service has been a huge part of my life for the past six years. I think it's so important help others and be the best example for my children. I pride myself on being transparent and accessible. The people of Rockingham County deserve a leader who will treat all citizens with respect and who has a track record of bringing people together to solve problems. I pledge to hold the line on taxes, to seek out creative solutions, and in my free time continue advocating for Veterans, the elderly, residents suffering from sub-

stance abuse and families in need.

Please consider me, Joshua Bourdon on Nov. 6.

People Before Party!

Kevin Coyle

**Kevin Coyle**

For the last five and a half years I've had the privilege of Representing the towns of Derry, Londonderry, Windham, Au-

burn, Candia, Chester, Deerfield, Northwood and Nottingham as a county commissioner. I currently serve as the chairman of the commission. The County commissioners oversee the operation of the county nursing home, the county jail, the sheriffs department, the registry of deeds, and the county attorneys office. The County employs over 600 employees and has an annual budget of just over 80 million dollars. During the last 5 years the commission has been responsible for substantial renovations to the nursing home which is now a state of the art facility. We

have instituted programs and initiative that have decreased the jail population from over 250 prisoners to now less than 140. We have also successful negotiated seven union contracts. All of these things have been accomplished while keeping in mind the interest of the taxpayer. We have been able to maintain a consistent tax rate which has averaged just over a dollar per thousand for each of our towns. I would kindly ask that you consider voting for me for re-election so that I can continue working for the citizens and taxpayers of the county,

variance, but they did not complete the project in three years and did not see where Richard Canuel was wrong in his interpretation. The rest of the board agreed with Dunn and the variance to override Canuel's opinion was denied.

At that point Leonard

moved on to the second variance of the evening. This once was on the agenda in the case that the board denied the first variance. The second variance was to allow 144 units at any time during the next two years.

Member Jacqueline Benard felt that allowing that many units over two

year period with have an adverse impact on the community. She read parts of the residential housing phasing ordinance which states in part "the purpose of the residential development phasing is to guide efforts by the town to monitor, evaluate, plan for and guide residential growth in Londonderry that is consistent with the town's capacity for planned orderly and sensible expansion of its services to accommodate such development and (b) to provide for the current and future housing

need for the existing residents and their families."

Services include education, fire protection, road maintenance, waste disposal, police protection and recreation. Leonard said that the town has known about this project for the last five to six years, so they had plenty of time to plan for the project. He stated that making them take 72 permits now and 72 permits a year from now versus 144 right away would not have a meaningful difference in impact on town services.

Chris Fokas, principal

owner of Wallace Farms, stepped in to address the board. He noted that the financing for phases 2 and 3 is stalled because the mandated rent for the workforce housing was too tight to finance using their planned funding source. They now intend to finance through NHHFA. He explained that NHHFA has mandated that they get permission for the 144 building permits. He said they do not have a commitment from NHHFA because they will not give them one until the 144 units permits can be pulled.

Resident Tiffany Richardson said she read in a paper that this property was going to become condominiums and asked if it would remain workforce housing. Leonard stated that this is a workforce housing rental project with certain covenants attached to this property. He noted that one way to

divide ownership is through condominiums for financing. He said they would like to create ten condominium units, about a building each, and by doing it this way they can finance phase 1, which is completed, and the next two phases.

After deliberation, the board granted the variance 4-0. They believed that the variance would not be contrary to the public interest because it would not threaten the health, safety or welfare of the public. They also stated that is in the public interest to complete the previously approved project.

Also, substantial justice would be done because the loss to the applicant outweighs any gain to the public and the units would have already been built if the original timing were followed, so building them now does not create any undue burden on town services.

Four Churches and six other local groups filled the church and were given instructions on how to prepare the meals that were bagged, sealed and boxed, then shipped off to the Outreach warehouse in Manchester.

The meals prepared were a Tomato and Basil Pasta dish and Mine-strone Soup. Volunteers around the church shoveled ingredients into bags, then vacuum-sealed and boxed them. The Outreach Program goal is to end hunger and enriching lives, with a mission of providing a safe water, food, medical care and education to children and

those in need, at home and abroad.

Along with St. Peter's, the other Londonderry churches were, Londonderry Christian Church, Orchard Christian Fellowship and the Londonderry United Methodist Church.

Leading each church were O'Connor and Rev. Colin Chapman of St. Peter's Episcopal Church, Pastor Dave Harrison of the Londonderry Christian Church, Pastor Ken Glazier of Orchard Christian Fellowship and Susan Marone of the Londonderry United Methodist Church.

# LONDONDERRY SPORTS

## Lancer Football Assures Itself of Playoff Spot With Victory

CHRIS PANTAZIS  
LONDONDERRY TIMES

Senior quarterback Evan Cormier and junior running back Jeff Wiedenfeld combined for 330 rushing yards and three touchdowns in helping their Londonderry High football team to a 33-23 win over the Dover Green Wave at LHS Friday night, Oct. 19, and assured the Lancers of a berth in the 2018 Division I playoffs.

The Lancers took care of business against the seacoast squad while getting periodic updates on the fact that the Windham High Jaguars were besting the Pinkerton Academy Astros over in Derry at the same time, improving the Londonderry squad's standing in the tough DI South Division.

While Londonderry's performance wouldn't have won any artistic points - a fact which coach Jimmy Lauzon acknowledged right after the contest - the Lancers extended their winning streak to four games and their season record to 7-1 while ending Dover's winning skein of three games.

The sub-par performance of the officiating crew drew the ire of players, coaches, and fans on both sides of the field, but the Londonderry folks ended up being able to

stride happily away from Lancer Park after the final whistle blew.

"Not our best game. We're much better than that," said Lauzon. "We've got to clean some things up, and fortunately we'll have the chance to clean them up."

Wiedenfeld was incredibly busy for his successful Lancers, running the ball no less than 30 times for 188 yards and two touchdowns. And he'd been told by his coach ahead of time to expect to see the ball a whole bunch in the important Dover contest.

"I told him to get a good night's sleep last night because I knew we could exploit their offensive line and he'd get the ball a lot. And he did," said coach Lauzon.

The Green Wave, which entered the night with a 4-3 record and that three-game winning streak rolling, busted out to an 8-0 lead on the very first offensive drive of the night which culminated with a 79-yard scoring pass and was followed by a two-point conversion run by standout quarterback Ty Vitko.

But the hosts responded on their first offensive series with Wiedenfeld capping off a nine-play drive with a three-yard scoring sprint. And Zack

Chau's extra-point kick made it an 8-7 game.

Chau would extend his program record of consecutive extra points to 35 before the night was over before missing one. That impressive run of kicks busted Tom Beedham's streak of 21 set five years earlier.

Londonderry bagged the lead in the opening seconds of the second quarter when a seven-play drive culminated with a 1-yard plunge to points by Cormier. The two-point conversion try failed, but the Lancers were up 13-8 and they wouldn't lose the upper hand the rest of the way.

The hosts would be up 20-8 at halftime after Cormier and Jake Holland connected on a 23-yard scoring pass with just 1:05 remaining in the half.

With Cormier relegated to the sidelines by aching ankles in the second half, backup quarterback Jake McEachern took over and helped his team run its lead up to 26-8 with 3:20 to go in the third period by sprinting the football to pay-dirt from 24 yards out.

Dover trimmed its deficit back to 26-15 in the first minute of the fourth quarter on an 88-yard pass completion, but Londonderry responded with a six-play drive which was

completed with a 1-yard scoring run by Wiedenfeld followed by a Chau kick which made it a 33-15 contest with 11:08 to go.

The Green Wave cut its deficit back to 33-23 three minutes later, but 33-23 was where the final score would land.

As the game ended it was announced over the public address system that South Division-leading Pinkerton had been bested by Windham in a 35-21 decision, and there was even more reason for the hosts to celebrate.

The winners finished with an impressive 452 total yards worth of offense while their defense held Dover to 314 including a mere 76 on the ground. And with Pinkerton falling, it was a good night in Lancer Nation.

Backup quarterback Jake McEachern took over for injured starter Evan Cormier and sprints down field during the LHS football squad's win over Dover.

# Lady Lancer Volleyball Squad Finishes Up With a Split

CHRIS PANTAZIS  
LONDONDERRY TIMES

The rollercoaster ride of a 2018 regular season for the

Londonderry High girls' volleyball squad came to a conclusion last week with a split of matches with the Merrimack High

Lady Tomahawks and the defending state champion Hollis-Brookline Lady Cavaliers.  
The Lady Lancers,

who began the campaign with every reason for optimism by winning four of their first six matches, went 2-10 in their last dozen contests to finish well below the .500 mark at 6-12.

The Lancer crew showed quite a bit of what it can accomplish on a court in the 3-1 besting of Merrimack at LHS on Wednesday, Oct. 17 during the teams final home game of the season.

The evening began with the team paying tribute to the four seniors that will be departing after graduation this year. Natalie Brooks, Britney Clark, Gillian Lynch and Maddie Sanborn were presented flowers by teammates as a token of their appreciation before the matches began, and 25 year football game announcer, Kevin Smith, was present to announce

*Battle-tested veteran Britney Clark and the Lady Lancer spikers had their challenges during the second half of the D-I season, but they did advance to the state tournament.*

for the senior ceremony. The girls came out with a full head of steam to start the match by rattling off seven unanswered points, but then let up nine points to the Merrimack squad notting the score at 9-9.

The girls wound up winning that first game, and two others to help assure the team of a spot in the upcoming Division I tournament.

But two days later the Lady Lancers were no match for an undefeated and incredibly tough Hollis-Brookline contingent on its home court. The Lancers were defeated 0-3.

The Londonderry squad was seeded 15th in the Division I tourney and faces the huge task of defeating the second-ranked Nashua South Lady Purple Panthers in first-round play this Thursday the 25th.

# LHS Girls' Soccer Squad Ends Regular Season Sizzling Hot

CHRIS PANTAZIS  
LONDONDERRY TIMES

It's safe to say that no opponent will be wanting to face off with the Londonderry High girls' soccer squad in the forthcoming Division I tournament.

The Lady Lancers ended their regular season last week by placing their DI record at a glittering 14-1-1 and in the midst of a 10-game undefeated streak in which it had posted a 9-0-1 record.

The LHS crew completed its regular season last week with convincing victories over Merrimack and Salem in rolling toward the state tourney in exceptional shape.

"I like the way that we are playing," said coach Derek Dane. "Teams have played various styles and systems against us in an attempt to slow us down or counteract what we do.

But, for the most part, we have been able to prevail. We are persistent and continue to attack throughout the game. We have shown that we are able to play a full 80 minutes or more if necessary. The majority of the group is healthy, and during the next week those who have nagging little injuries will get a chance to heal. Once we know who our first opponent will be, we'll prepare specifically for them and go for it from there."

The Lancers remained blistering-hot by bouncing their undefeated streak up to nine games with a 4-1 defeat of the Merrimack High Tomahawks on that opponent's home pitch Tuesday, Oct. 9.

A total of four goals were netted during the first half of that match, with Londonderry tallying three times to carry a 3-1

lead to the break.

The LHS crew went up 2-0 on scores from Gwen Barnes (unassisted) in the 15th minute followed by Olivia Stowell's marker (from Rachel Stone) three minutes later.

Merrimack trimmed its deficit in half shortly thereafter, but Ashley Manor was set up by Bella Cossette to send the Lancers to the half with a solid advantage.

Londonderry finished the scoring 23 minutes into the second half when Stowell scored again, this time unassisted.

The locals pelted 13 shots on Merrimack goalie Caitlyn Moran while LHS keeper Jasmine Richard turned aside five shots for her streaking squad. The LHS crew moved to 13-1-1 with the success while Merrimack slipped to 8-6-1.

The young ladies then

closed out their 2018 regular season on Thursday Oct. 18 at Salem High with a match-up with a Blue Devils' bunch which has scuffled, winning just once in its last eight contests in going 1-4-3.

Londonderry completed the regular season with a 3-0 blanking of those Devils, busting a scoreless tie by scoring three times in the second half on successful shots by Alyssa Anderson (from Stowell), Darby Dupuis (from Stowell), and Stowell herself (from Cossette).

The locals thumped a total of 17 shots on the Salem net while their keeper Richard only had to turn aside three in the shutout effort.

The Lancers' superb regular season left them ranked first in Division I and allowed them the luxury of a bye in the first

round of the tourney this week. They will face off against the winner of the Nashua South/Portsmouth prelim match at LHS this coming Sunday, Oct. 28.

# Lancer Boys' Soccer Crew Ends Regular Season With a Split

CHRIS PANTAZIS  
LONDONDERRY TIMES

A split of decisions with Merrimack and Hanover during the final week of the 2018 Division I regular season last week left coach Todd Ellis and his Londonderry High boys' soccer team headed into the state

tourney with a solid 9-6-1 record.

Less than 24 hours after having a six-game undefeated streak stopped, the LHS boys' squad jumped right back into positive territory with a 2-0 besting of the Merrimack High Tomahawks in Londonderry Tuesday, Oct. 16.

The Lancer squad moved their Division I record up to 9-5-1 with the win, which featured first half goals from Brian LeClair (assist to Tyler VanAvery) in the 26th minute and VanAvery himself on a penalty kick seven minutes later.

Lancer goalie Colby

Dimaggio made three saves, helping to lower Merrimack's season record to 5-10.

"I wasn't sure what to expect after our game last night (Monday) against Salem," said Ellis following the win. "The team played really well. I thought we controlled the tempo of the game and generated a lot of shots. It was nice to get (keeper) Colby in for a game. I thought he did a nice job

in net and deserved the shutout."

Londonderry then closed out its regular season on Friday, Oct. 19 in Hanover to face off with a tough opponent which stepped into play with a 12-3 record and six consecutive wins.

And the Marauders shoved their record up to 13-3 with consecutive success number seven in a 4-0 blanking of the locals.

Hanover junior star

Charlie Adams became the all-time leading scorer in Marauder program history by netting two goals and setting up one other on a three-point day for the victors.

The Lancers' 10th-place seeding in the DI tournament sent them out to Keene Wednesday, Oct. 24 to take on the seventh-ranked Keene High Blackbirds, after Londonderry Times press time, in first-round action.

## Film Showing

On Oct. 28, at 4 p.m., It's Criminal will be shown at Etz Hayim Synagogue at 1-1/2 Hood Rd., Derry. The award-winning documentary will be followed by a discussion led by the film's director, Signe Taylor. The 80-minute documentary shares the life-changing journeys of incarcerated women and Dartmouth College students working together to write and perform an original play that explores the often painful and troubled paths that landed the women behind bars, and shares some of their fragile visions for the future. The movie delves into privilege, poverty, and injustice, and asks viewers to think about who is in prison and why. In addition to exploring disparities, It's Criminal also captures how the students and prisoners struggled and ultimately succeeded in overcoming their fears and prejudices to form hard-won bonds of friendship, showing that empathy is a powerful force that can help bridge the divide. The documentary has been screened at film festivals

across the country and has won a number of awards. The program is free, although donations to the synagogue to enable it to continue with this and other programming are gratefully accepted.

# Classified Advertising

**READERS ARE CAUTIONED** that we occasionally run ads that require an initial investment or money in advance. We urge our readers to “**do their homework**” before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don’t endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.
