Clam Shack Demo'd

The former School District Office next to the Londonderry Town Hall was demolished on Tuesday morning, Oct. 8, by New Hampshire Demolition. The 40-year-old building was deemed uninhabitable by the school district last year, and turned over to the town by voters in March.

Town Looks to Spend State Money on Stonhenge Road

IDAN VINITSKY
LONDONDERRY TIMES

Londonderry Town Manager Kevin Smith informed the Town Council members over Monday's (Oct. 7) meeting that the town will be receiving a total of \$533,112 in Municipal

Infrastructure in the new and recently approved State Budget.

This amount will be forwarded to Londonderry by the state in Fiscal Years 2020 and 2021, with half of it (\$262,556) coming every year. Smith mentioned this option in the previous Town Coun-

cil meeting (on Sep. 16), but said back then that it was not final, since the State Budget was yet to be approved at the time.

Now, with Londonderry receiving these additional funding in unanticipated revenue, Smith explained that there are

New Developer Hopes to Swap Apple With Crab Apple Trees

IDAN VINITSKY
LONDONDERRY TIMES

The Londonderry Planning Board held its Wednesday (Oct. 2) meeting and discussed a conceptual discussion on amendment/waivers to a previously approved subdivision regarding Woodmont Commons.

No decisions are made in a conceptual discussion and it serves as an exchange of ideas. Eric Jackson, representing The Stabile Company from Nashua, addressed the board and presented ideas that will be brought in front of the board at its Nov. 6 meeting.

The first item Jackson addressed was the status of the apple trees, located on Gilcrest Rd. the subdivision plan called for two

rows of apple trees to be maintained within the 50 foot no-build buffer there and a third row is supposed to be planted between those two rows.

Jackson explained that the third row was initially planned to be behind the existing two, but that would have put it outside of the 50-foot buffer, so it was moved in the plan to be between the other two. He said that during the site review it was learned that the majority of existing apple trees on Gilcrest Rd. are in a very poor condition and have diseases. After an inspection, he said he was informed that the trees are beyond the point of being restored.

Now, the company's opinion is that the best way to provide an attrac-

tive buffer on Gilcrest Rd. is to remove and replace all the existing apple trees and get new and younger trees that could live longer. At that point, the Planning Board Chair, Arthur Rugg, asked if Jackson means to replace the apple trees with new ones, to which Jackson answered that the company will propose adding flowering crabapple trees for the third, new row. He said they are easier to maintain, fight their diseases and have longer lives, with similar characteristics to apple trees.

Rugg then referred Jackson to page 155 in the Woodmont Master Plan and said that it explains the type of trees. Jackson answered that that is

Planning Board Continues Latest 55 Plus Community Site Plan

IDAN VINITSKY
LONDONDERRY TIMES

The Londonderry Planning Board decided to continue to its Nov. 13 meeting the discussion regarding an application for formal review of a site plan for an elderly housing (55+) development, consisting of 28 single family units and 14 duplex units on 48 Old Nashua Road. The decision for continuation until next month came after board members and neighbors of the suggested plan expressed their concerns with various issues con-

cerning the development.

Doug Maguire, a representative of the owner and applicant, DFC Development, presented the site plan at the Planning Board meeting on Wednesday, Oct. 2.

Maguire said that the project was brought forward by him to the board a year or two ago, to gain feedback on a conceptual presentation. The plan remained fairly similar and Maguire emphasized that their goal is still "to submit an application that was something different than

what the town of Londonderry currently has with regards to their age-restricted housing."

The project is supposed to be more affordable, with compact and smaller units that will allow aging locals who wish to downsize, to pay

North School PTA, Students and Staff Spruce Up Landscaping

A small contingent of parents, staff and students gathered at North Elementary School early on Sunday morning to beautify the front of the school. The group pulled up weeds, raked the area, trimmed bushes, planted new bushes, and spread mulch. The effort was orchestrated by Landscape Designer Madi Mazer and PTA President Jill Grennon. North School Principal Paul Dutton and Assistant Principal Jill Connors were also there to led a helping hand.

Conservation Commission Discusses New Driveway Buffer, Bunnies, Gun Fire

ROXANNE MCGAFFIGAN
LONDONDERRY TIMES

At the Sept. 24 Conservation Commission meeting, the board heard about conservation buffers for a new development driveway, reports from the Londonderry Girl Scout Troup 10990, regarding their bunny cut observations, and discussed reports of gun shot and explosion noises coming from the Musquash Conservation area.

The Commission first hear from Chris Hickey, survey project manager with Eric Mitchell & Associates, who returned to the Commission to discuss a buffer impact for a driveway on a new subdivision off of Bancroft Road. The board previously asked if it was possible that the driveway could be put under power lines as to mitigate conservation land impact. Hickey said after convers-

ing with Eversource, the company requested that the driveway got out from "underneath the power lines as soon as it could". Hickey said a new driveway plan was drawn up that Eversource approved. Hickey said that the driveway plans are not in the buffer at all and angles into the Eversource easement. Concerns from Commission members included water running from the driveway that is designed to flow into a detention pond at the bottom of the hill of the subject property. Hickey said there would be a mandated yearly inspection to make sure the detention pond was kept maintained and it would be up to the homeowner to hire someone to inspect it. The board motioned and voted unanimously to delegate authority to the board chair, Marge Badois, that a decision to approve the land use would be made upon reviewing the lan-

guage written and specific restrictions written in the property deed and plans regarding the detention pond.

Also, Londonderry Girl Scout Troup 10990 reported to the Commission on the Troup's April visit to the Musquash conservation land, where there has been brush removal to help preserve the endangered New England cottontail's habitat. The population of these cottontail rabbits has been dwindling enough to put the rabbits on the endangered species list, per Badois. The Girl Scouts said they observed the cuts and debris and many people enjoying the area. They hope to spread the word that the cutting is part of rebuilding the cotton-tails' habitat and not to build condos. The tree and brush removal are part of a collaborative effort to protect the cottontails that call the

Musquash home.

Conservation Ranger, Glenn Aprile, reported that he served a cease and desist order, to the owner of 17 Wilshire Drive in Londonderry, for reports that the occupant was encroaching on conservation land to access the back of the property.

The property owner reportedly drove his vehicle on the land to access the back of his house.

He also reportedly has expressed interests in purchasing the land, per Aprile. The conservation committee is looking into the matter to determine how the commission acquired the land and to clarify restrictions, if any, before there is any option to purchase.

Aprile also reported that he received a noise complaint from Richard Olson, from 65 Alexander Road, regarding gun shot noises and noises claimed to be the Londonderry Police Range, Fish and

Game and other private ranges. Aprile said the Olson's complaint included gathering neighbors to go to the police department regarding the recent increase in firearms noise. Badois said that since the "bunny cut", a process of clear cutting to help save the endangered New England cottontail has been happening and that the lack of sound buffer from the trees could be causing an increase in noise.

Additionally, Aprile said that part of Olson's complaint, was the reportedly large explosion-like sound that happened on September 21, around 8:20 in the morning, which caused several other calls from community members. The noise reportedly came from the Musquash conservation area, near Faucher, Kimball and Alexander Roads. Aprile and Badois both surveyed the conservation area in question and both said there was no

trace of an explosion, no fresh wheel tracks and nothing looked out of place. The Commission offered several explanations including larger guns, or types of targets. There has been no cause determined for the noise.

Badois said that while investigating the reported explosion sound on the Musquash, she found that a sign previously posted by the conservation commission saying no motorized vehicles were allowed on a nearby trail was missing. The sign was located near the residence of 16 Teton Road. Badois said it is New Hampshire state conservation land with a conservation easement on it. The board discussed where a new sign could be placed to prevent motorized vehicles from entering the area on conservation land. Aprile said he would investigate further before any action was taken.

State Money

Continued from page 1

no restriction regarding the use of this money and that one option is to use it to reignite the project on the intersection of Stonehenge Road and Route 28.

That project was stopped several months ago, after the costs jumped from \$1.1 million, what the town first believed it would be, to approximately \$1.7 million.

In the 2018-2019 State Budget, Londonderry had received \$519,000 and decided to use that funding to push forward this project in the Department of Transportation's Ten Year Plan. The initial agreement was that the town

and the department will each fund half of the project, but when the cost proved to be higher, the town found itself about \$300,000 short.

One suggestion was to go to the voters in the upcoming March elections and asked them to approve the spending of an additional \$300,000. However, with the money received from the State Budget, there is a new path and Smith said that with the council's blessing, he will let the DOT know that this is the town's will.

He added that to his understanding, design and engineering work could begin immediately if the Town Council takes

this decision regarding the money.

"It's a one-time amount, though in the previous budget we got \$520,000 that was to be used towards roadway improvement and that's where our first \$520,000 came from, for the Stonehenge intersection", said Smith. "So this is the second State Budget in a row where they have given additional money back to the municipalities. There seems to be a soft spot now with the legislature and the governor for doing more revenue sharing than they did previously, so I'm happy to see the trend. We can't count on it every two years, but certainly hav-

ing it now, two budget cycles in a row, is a good sign."

In other businesses, the Town Council accepted an order to purchase a backup cooling unit for the IT server room at Town Hall, in the amount of \$11,489.05. Steve Cotton said that the server room was put in a closet, a non-server room, many years ago and there is an electricity backup, in case the building losses power, but there is now backup

cooling system.

Director of Public Works and Engineering, Janusz Czyzowski, presented an amendment to Solid Waste and Recyclables Collection Contracts. He said that the current contracts with Waste Management are until Fiscal Year 2023, with 2022 and 2023 an option. That option will be used by the town, since the contracts are good. The company informed the town that due to major

unforeseen changes in their recycling conditions, they are not able to fulfill the 30 percent maximum price and approached the town with an increased price. The town objected and negotiated an amendment that will allow it to change the recycling contract in its favor. Czyzowski said that the Town Attorney reviewed the amendment and the Town Council instructed him to move forward.

Editorial

In 1942...

Whether you have the day off, or it's business as usual this Monday, chances are you're in the majority if you decide to observe the upcoming federal holiday, Columbus Day.

Despite the less than favorable aspects of his history, Christopher Columbus, the 15th Century Italian explorer, credited with discovering America, apparently still has some admirers.

Columbus Day, the second Monday in October, is a nationally recognized holiday. President Franklin Roosevelt made Columbus Day a federal holiday in the 1930s. However, opposition to its observance has grown over time.

While there is plenty to criticize about Columbus, and what followed his arrival, there are some things that are salvageable about the October observance.

It's a fact that the conquest of the Americas by Europeans, which arguably started with Columbus, was very ugly, and involved a lot of needless violence. But violence and conquest, for better or worse, is much the same for history the world over for thousands of years.

History, in many ways, is the story of conquest. Though the majority of us deplore it, it is our shared heritage.

While there is only limited knowledge of what pre-Columbus America was like, it is inferred that many indigenous civilizations had their own versions of war, slavery, torture and brutality. It's not the intention of the observation to make excuses for the worst that happened, but rather

to understand it. Many of the atrocities that took place were not solely the essence of Columbus, but rather part of the times.

With all that said, there are still good reasons to observe Columbus Day.

Many Italians see Columbus Day as an opportunity to recognize what Italians have contributed to America, and to the world.

It can be said that Columbus Day should be seen as a celebration of exploration. It took tremendous bravery to sail off into the unknown. One of the best parts of humanity is our drive to discover, and for that reason, Columbus Day deserves recognition.

More and more people have been moving towards forgoing Columbus Day in favor of "Indigenous Peoples' Day," to reflect and honor the Native Americans who suffered during the time of European exploration. This version also celebrates the culture and traditions of indigenous Americans, and the best parts of our shared history.

This year, while we celebrate Columbus Day, Indigenous Peoples Day, or both, we can take this time to learn from our shared history and to move forward into a better future. Whichever side you take, it can be agreed that both sides offer something to celebrate about the human spirit.

With all of this in mind, the second Monday in October is indeed a significant observance, and should be seen for what it is a reflection of our history and a chance to learn and grow from it.

Letters

Climate Change

To the editor,

Are you concerned about climate change? I realize that we still have several people who deny this phenomenon and are unlikely to change. This letter will probably merely annoy you, so skip it.

As a physicist, I have spent a lifetime dealing with verifiable scientific fact and making decisions based on those facts. Available and verifiable facts determined over the last thirty years or so show that the global climate is warming and that human beings are the primary contributors. Carbon dioxide is the popular 'go to' as the primary cause but we should be just as concerned about methane.

Methane can have eighty six times the potential of carbon dioxide to cause global warming. Luckily, there is just much less of it in the atmosphere. Carbon dioxide traps escaping energy in specific bands within the infrared spectrum. Methane's molecular structure resonates right in the gaps to trap even more energy!

The oil and gas industry is the largest emitter of this methane. 'Luckily', all the major companies, including ExxonMobil, have individually claimed to support the existing EPA regulations that control and reduce the emission of methane. Yet those

same companies are backing an industry lobbying group (API) to push for the elimination of those exact same regulations.

To make it simple - state publicly that you support current regulations in order to get the public to believe you are a good guy while secretly pushing for removal of the regulations before they realize what you are up to! Pay attention to what the EPA is being asked to do.

David J. Ellis
Londonderry

Fellow Londonderry Residents

To the editor,

I am so excited to announce the release of my second publication My Buddy Bryant A Story of Friendship & Dyspraxia. You likely know that 1 out of 10 individuals have Dyspraxia, but the majority of people have no knowledge of this condition. There just isn't much awareness about this lifelong neurologic disorder and I am trying to change that. According to the Dyspraxia Foundation. "Dyspraxia, a form of Developmental Coordination Disorder (DCD), is a common disorder affecting fine and/or gross motor coordination in children and adults. It may also affect speech.", dyspraxiafoundation.org.uk/about-dyspraxia/.

Why do I care? Well,

my son Bryant has Dyspraxia and it is time we shine a spotlight on this disorder to bring awareness and acceptance.

My personal profits of the book will go to the Dyspraxia Foundation USA a nonprofit organization. In fact, I am teaming up with Warren Fried, the Founder and Director of the Dyspraxia Foundation USA, to help raise much needed funds. In addition to giving my personal profits to this great foundation, I will also be giving a book to individuals/families who donate \$100 or more to Dyspraxia Foundation USA. Donations can be given directly to dyspraxiausa.org by clicking DONATE.

I would appreciate any and all help in bringing this much needed story to the masses. The official press release for my book was September 10th, just about a month before Dyspraxia Awareness Week on October 6th-12th.

Please help the Dyspraxia Foundation USA by sharing this information on your social media and to anyone who will listen, by donating money directly to the website, and by drawing attention to the Dyspraxia Foundation USA via social media during Dyspraxia Awareness Week on October 6-12.

Thank you for your time and much needed help,

Elizabeth McKinney

Apple Trees

Continued from page 1

where it says the apple trees can be replaced, under certain conditions. He said that is what they are requesting in the waiver and that the company wants to get the new trees in there as soon as possible so they can start growing. The proposed new trees are 6-8 feet

when they are put in the ground and grow to 20-25 feet in height, according to Jackson. "They are bigger than a person. They are not baby trees that you won't notice," he told the board members. "Every person we talked to about this said the crabapple trees by far the way to go because they have similar characteristics and you will get

longer and better looking life out of it."

Following the board members input on the subject, Rugg said that another conceptual discussion is probably needed: "I think we need to hear from an environmental engineer exactly what is in the soil that is there, how much of it is there. Once we know that information, we can make assumptions."

55 Plus

Continued from page 1

less on their new home than what they can receive on their current homes. The 28 single units will be approximately 1,750 square-feet houses, with two bedrooms, a two-car garage and two bathrooms and a half. The 14 duplex units, towards the rear of the property, will be about 1,500 square-feet, with two bedrooms, a one-car garage and two bathrooms and a half. The land is 16 acres in total.

Following Maguire's presentation, John Trotter, the Assistant Director of Public Works and Engineering, presented the board members with the seven waivers the applicant is requesting. He said that the recommendation from the town's staff is that the applicant provides additional details regarding the request to allow drainage pipes to cover less than three feet.

When the board members gave their inputs, Peter Commerford raised his concerns with

the plan. He asked Maguire what the traffic study (which was submitted to the town for review and returned with no comments) showed regarding the way the new development impacts the three roads that interconnect with it, Old Nashua Rd., Parmenter Rd. and High Range Rd., as these roads are accident-prone areas. Maguire answered that the 55+ housing is a low traffic generator.

Another concern expressed by Commerford was that all the septic tanks chained together. "That just looks like a problem waiting to happen", he said. "Basically, the guy in house 1 has to hope that the guys in houses 2, 3, 4, 5 and 6 are all taking care of theirs and none of the guys are creating a problem." He said that if one septic tank backs up, it could create a long-term problem. Planning Board Chair Art Rugg said that the state already approved this design.

The third issue was with the development's decision to build a well instead of connecting to

Pennichuck, which has a pipe down the road. Maguire said that connecting to the pipe will increase the costs significantly. Two family neighbors of the site, that have been living on

Old Nashua Rd. for decades, addressed the board and also said they are concerned with their water supply, should the development start pumping water from the ground near them.

OBITUARY

David F. Johns

David F. Johns, 81, of Windham, NH passed away on Saturday, Sept. 28, 2019 at High Pointe Hospice in Haverhill, MA.

He was born on June 19, 1938 in Medford, MA to Muriel S. (Parker) and William Arthur Johns. David grew up in Somerville and North Reading and attended local schools. He went on to serve in the United State Air Force.

David worked for the Boston Pipefitters Union Local 537 for 32 years. He also worked as a Sea Captain, a scuba diving instructor, drove tour boats in Lowell. David was a proud and active member of the American Legion Post 27 in Londonderry.

He loved Key West and spent most of his time there. David enjoyed listening to classical music, boating and riding his motorcycle.

David is survived by his children, William Arthur Johns II of Clinton, MA, Sandra Patrick and her husband Scott of Hooksett, NH, Debra Theriault of Ormond Beach, FL, and David P. Johns of Windham; his grandchildren, Michael Chamberlain, Bobby Theriault, Kristopher Theriault, Heather Lee Patrick, Cassie Theriault, Holly Ann Patrick, William Arthur Johns III, Emily Johns, and Ian Johns; as well as his great-grandchildren, Skylah Bella Brown, Makenzie Patrick, and Bobby Theriault.

A graveside service will be held on Thursday, Oct. 17, at 1 p.m. at the NH State Veteran's Cemetery, 110 Daniel Webster Highway, Boscawen, NH 03303.

Arrangements are in the care of the Carrier Family Funeral Home, 38 Range Rd., Windham, NH 03103. For directions or to leave a message of condolence, please visit www.carrierfuneralhome.com.

OBITUARY

Sheilah Faith Putnam Sproul

Sheilah Faith Putnam Sproul, 95, of Londonderry, NH, passed away Tuesday, Oct. 1, 2019 at Frisbee Memorial Hospital in Rochester, NH. Sheilah was born May 18, 1924 and was a daughter of the late Gordon A. & Marjorie D. (Dyke) Putnam. She was

raised & educated in Goffstown & Manchester, NH having attended Webster Street School & Central High School. She was one of the first female cheerleaders for Central. During High School, she worked in her mother's gift shop "The Fireside", once located just off Elm St., in Manchester. In the summers, she also helped manage the souvenir shop in Twin Mountain NH.

During WWII, she was a member of the Aircraft Warning Service in San Diego CA. Her mother's transfer by the navy, towards the end of the war sent the family to Jacksonville FL. After the war she lived in ME, PA, and MA before settling in Derry, in 1986 where she was involved with local & national political campaigns and advocated for a promised Senior Center and other services. Throughout her life, Sheilah traveled throughout North America visiting Canada, Mexico & all the United States except Hawaii. She cruised aboard the Queen Elizabeth II out of NY.

Sheilah received her Associates degree in Business Administration from Newbury Junior College, where she was recognized as the "Top Commuting Student" in 1979 at the age of 55. She had been a bookkeeper & office manager most of her working life and after retirement, spent over 10 years as the bookkeeper at her daughter's law firm, Hastings Law Office, in Nashua. She was a 65+ year member of the Daughters of the American Revolution & past Regent of the Molly Reid Chapter. She was a Senior Companion in Derry & Londonderry, providing help and companionship to seniors in need. For 25 years, she could be found playing Uno every Wed. morning at the Merrion Gerrish Community Center in Derry (Most of the Uno Gang predeceased her). An avid reader & poet, Sheilah could often be found reading books by her favorite authors Robert Parker or Robert Frost. Sheilah will be forever remembered for her quick wit, giving spirit, & as a loving Nana & Great Nana who cherished time spent with her grandchildren & great-grandchildren.

She is survived by her 3 children, Honey C. Hastings & her partner Charles Eggert, Jr. of Temple, NH, James Sproul, IV & his wife Marilyn of Mansfield, TX, & her daughter, Jan S. McLaughlin & her husband John of Londonderry. Other members of her family include 7 grandchildren: D.J. (Krista) McLaughlin, James (Crystal) Sproul V, Jeremiah (Hope) Lowe, Katie McLaughlin, Jessica Lowe, Alison (Justin) Carrol, and Marjorie (Taylor) Sproul, 5 great grandchildren, Vivienne Sproul, Malcolm McLaughlin, Thomas Lowe, Willa Faith McLaughlin, & Nora Carrol. Sheilah was predeceased by her brother Dyke E. A. Putnam and her sister Edyth Putnam Smart.

After cremation, a liturgy of Christian Burial will be Monday at 10:30 a.m. at St. Mark the Evangelist Church, 1 South Rd., Londonderry followed by a celebration of Sheilah's life in the church hall. Burial will follow at 2 p.m. in Pine Grove Cemetery, 765 Brown Ave., Manchester. In lieu of flowers, please consider a donation to one of the following service organizations: Rockingham Nutrition Meals on or Community Caregivers of Greater Derry. To send a condolence, please visit www.peabodyfuneralhome.com.

Local Man Arrested for Felonious Sexual Assault of Minor

IDAN VINITSKY
LONDONDERRY TIMES

Carl McCoy, 72-years-old of 326 Winding Pond Road in Londonderry was arrested by the Londonderry Police Department on Sept. 18 and charged for pattern of sexual assaults.

Police arrested McCoy with a warrant at

6:37 a.m. on Sep. 18 and charged him with three counts of aggravated felonious sexual assault. He was later released on a \$3,000 personal recognizance bail and was scheduled to be arraigned at the Derry District Court Tuesday morning (Oct. 8), after a four-day postponement from the original date.

McCoy was ordered to have no contact, direct or indirect, with the victim and not come within 500 feet of the victim.

According to the complaint, filed at the Derry District Court, McCoy engaged in a pattern of sexual assault against a minor, when the victim was between the ages of three and

Carl McCoy

five, between August 2006 and August 2008 (McCoy was born in 1947).

The complaint says that he knowingly engaged in digital penetration with the victim, on more than one occasion.

The complaint also states that between August 2008 and August

2012, McCoy is said to have knowingly engaged in sexual intercourse with the victim, on more than one occasion, while the victim was between the ages of five and nine. A third charge says that he engage in fellatio with the victim during the same time period.

October is Fire Safety Month and a Chance to Visit a Fire House

Although Oct. 6 through 12 is officially marked as Fire Prevention Week this year, many fire departments are using the whole month of October to emphasize fire safety through public education events.

Derry Fire Department is holding an Open House Saturday, Oct. 26, from 10 a.m. to 2 p.m. and Londonderry Fire will be holding its Open House on Saturday, Oct. 14, noon to 4 p.m.

This is a good times to stop in at your local

fire station, meet the crew, and pick up some pointers on keeping safe this winter.

This year's Fire Prevention theme is "Not Every Hero Wears A Cape. Plan and Practice Your Escape." Urging families to improve their home's safety by checking their alarms, testing the alarms regularly and adding reliable protection when replacing expired alarms. We are dedicated to helping protect what matters most because a home emergency can happen at any

time and we want you to be prepared

This is so important. It reinforces why everyone needs to have an escape plan and emphasizes the importance of having a smoke detector in every bedroom. Fire officials note that half of home fire deaths result from fires reported between 11 p.m. and 7 a.m., when most people are asleep. They also say that having a working smoke alarm cuts the chances by half of dying in a reported fire.

Other tips: Draw a map of your home with

all members of your household, marking two exits from each room and a path to the outside from each exit. Practice your home fire drill twice a year. Conduct one at night and one during the day with everyone in your home, and practice using different ways out. Teach children how to escape on their own in case you can't help them. Make sure the number of your home is clearly marked and easy for the fire department to find. Close doors behind you as you leave this may slow the spread

of smoke, heat, and fire. Once you get outside, stay outside. Never go back inside a burning building.

Having a fire extinguisher is only the first step, knowing how to use it is the vital second step; smoke detector placement, use and testing; making a family escape plan; or the over-riding importance of getting out and staying out of a burning building, your local firefighters are ready to talk fire safety. A fire doubles in size every 30 seconds so, the importance of taking fire prevention seriously is a no brainer.

Calling 911 is another focus of fire safety this month. With the prevalence of cell phones and

the frequent absence of landlines, children and everyone else need to know where quick access to the phone is in the middle of the night.

The open houses are also a time for firefighters to explain their gear and air packs to children, so that the youngsters will have nothing to be afraid of if they encounter a firefighter during a fire.

As the saying goes, they're the ones running into a burning building as everyone else is running out. Help them out and keep them and yourself safe by learning fire safety and fire prevention tips, and putting them into practice, this month and every month

Londonderry Missing Teenager Found Safe and Sound

IDAN VINITSKY
LONDONDERRY TIMES

After well over 24 hours of tension and uncertainty in town, the Londonderry Police Department informed the public on Sunday, Oct. 6, that Ricardo "Ricky" Perez, a 15-year-old Londonderry High School student, who was last seen in the early hours of Saturday, was located and was safe.

Over the past weekend, local police turned to the public and asked for help in finding Perez, who had gone missing on Sat-

urday.

According to reports, was last seen on Old Nashua Road around 1 a.m. on Saturday.

Shortly after the first post published on Facebook by the Londonderry Police Department came another, with description of Perez's height, look and cloths he was wearing when last seen.

The high school's Twitter account also posted Perez's photo and recognizing details and asked the public to contact the police department with any type of

Pictures released of Ricardo "Ricky" Perez, a 15-year-old Londonderry High School student who was missing over the weekend.

information. Eventually, Londonderry Police Department updated its post on Sunday, saying that as

of 2:20 p.m., the juvenile was found and that he was safe.

"Thank you to all those who assisted", said the police post. Chief of Police William Hart commented on this post and wrote: "Thank you, LPD Detectives. Great job this week." Londonderry High School tweeted: "Thank you to the town of Londonderry... our student from LHS is home safely with his family." On Facebook, Perez's family said in a post that friends saw him walking along the road and would not leave

without him in the car. They also thanked everyone who helped.

Londonderry Police Captain, Patrick Cheetam, commented after the teen was found, "Because it was a juvenile runaway, I won't be commenting other than to say, a male juvenile ran away from home for a short period, and was later reunited with his parents, who cooperated with the Londonderry Police Department throughout. We thank the community for their help in locating this juvenile as well."

Londonderry Man Arrested for Murder of Local Minister

IDAN VINITSKY
LONDONDERRY TIMES

Brandon Castiglione, a 24-year-old man of Londonderry, was arrested on Tuesday, Oct. 1, and charged with second-degree murder for recklessly causing the death of Luis Garcia, a 60-year-old minister at New England Pentecostal Ministries in Pelham.

The Attorney General's office announced last Tuesday, at approximately 5:30 p.m. that officials are responding to a suspicious death in London-

Brandon Castiglione

derry. The State Police Major Crime Unit was seen at 15 Ridgemont Drive, where police say Garcia was shot in the

neck by Castiglione at the latter's family house. The street was closed for a few hours.

Castiglione's arrest was announced by the Attorney General's office later that night and according to the press release, Castiglione caused Garcia's death "under circumstances manifesting an extreme indifference to the value of human life."

On Wednesday evening, Oct. 2, the results of the autopsy were published following its completion by New Hampshire Chief Medical Examiner, Dr. Jennie V. Duval.

Dr. Duval determined that the cause of Garcia's

death was a single gunshot wound to the neck, and that his manner of death was homicide.

Castiglione waived arraignment and is currently being held without bail.

Court records at Rockingham Superior Court show four previous crimi-

nal cases involving Castiglione, who had many run-ins with law authorities over the years. The most notable one was back in 2013, when police arrived at 15 Ridgemont Drive in search of stolen merchandise, smoking pipes and legal parapher-

nalia they believed were taken from the Londonderry Flea Market, but found instead an operating drug lab and many weapons.

Both Brandon Castiglione and his father Mark Castiglione were arrested at the time.

Londonderry Holds Annual Trick or Treating on Main Street

GRACE MORIARTY
LONDONDERRY TIMES

Cold air is filling our lungs, once green leaves are now an array of orange and red, and pumpkin jack-o-lanterns are appearing on doorsteps. This can only mean one thing; fall is here and setting up shop. One of the other sweet treats of fall is Halloween. This spooky holiday brings kids of all ages together and allows for fun, wacky costumes, spooky decorations and apple cider. However, the true goal of every child during Halloween is nothing more than candy, and then even more candy.

This year, like every year since 1997, Better Homes and Gardens The Masiello Group is sponsoring Trick or Treat on Main Street.

Better Homes and Gardens has been putting on a Halloween event for years now, all surrounding the idea of creating an exciting and interactive afternoon for the children. This year's Trick or Treat on Main Street is being held on Oct. 26, from noon to 2 p.m. The function is a mapped out area of Londonderry for families to trick or treat safely. Kids

and their parents can start by going to the BH&G The Masiello Group, in the Crossroads mall (off the 102 and 128 intersection) and pick up their maps throughout the days of Oct. 21 - 26. The Masiello Group has office hours from 9 a.m. to 5 p.m. Monday through Friday. However, maps picked up on Oct. 26, must be picked up after 11 a.m. The maps will guide the parents and children around a small section of Londonderry to various local businesses that they can visit to get Halloween candy and treats. As kids

go place to place to get candy, make sure they get the back of their map signed by the business. If all the businesses sign the back of the map, the kids can hand them back to Better Homes and Gardens Masiello Group at the end and be entered to win prizes.

The participants will be led through the Crossroads Mall, down to Mac's Apples, and towards the Apple Tree plaza as well. There will be around 45 businesses contributing to the afternoon's trick or treating, making sure it is a full two hours of candy

getting. With the event being from noon to 2 p.m. and with an already made map, it creates a safer environment for the children. This assures parents and family that their kids can still have all the fun of trick or treating and dressing up without the worry of them getting lost in the dark or walking into unknown areas. The last stop is back at the Better Homes and Gardens the Masiello Group. Children who bring in their fully signed and finished map back will be entered to win one of many prizes to be given the following

week. This fun Halloween event has become a tradition with Better Homes and Gardens the Masiello Group. Being able to create a safe and exciting town event for the children and the parents is something the whole staff contributes to and enjoys. Last year's event had roughly 250 children and others participating. With the age groups going from infant and up, the BH & G The Masiello Group has their arms open to anyone who wants to come and have some trick or treating fun.

Proclamation Honors Lancer Football Win Over Astros

IDAN VINITSKY
LONDONDERRY TIMES

Four days before they take on the 2018 Division I State Champions Bedford, the Londonderry High School Varsity Football team was honored at Monday's Town Council meeting with a special proclamation, celebrating the Lancers big win at Pinkerton Academy on Mack Plaque weekend.

The Lancer 42-24 victory Over PA broke a 22-game losing streak, who have not lost to their archrivals since 2001. Londonderry, coached by

Jimmy Lauzon, is seen by many as the best team in New Hampshire this season and will travel to Bedford with a 5-0 record after dominating in every game so far.

Town Manager Kevin Smith, who serves as the announcer on the Lancers home games, invited coach Lauzon, who in turn, introduced the four team captains who attended the Town Council meeting with him. Quarterback Jake McEachern, four-year starting running back Jeff Wiedenfeld, starting offensive and defensive lineman Blaine

Hopkins and starting offensive lineman Cooper Bartlett.

Town Manager John Farrell read the proclamation: "The proclamation congratulates the 2019 Lancer football team on the momentous occasion of defeating the Pinkerton Astros. Whereas the last time the Londonderry Lancers defeated the Pinkerton Astros in football was in 2001, by a score of 35-0. It has been 18 years and 22 game since the last time the Lancers last defeated the Astros.

And whereas many Lancer gridiron squads have come close to winning in the last couple of years, paving the way for this year's team to end the streak. And whereas on September 27, 2019, the Lancer football team beat Pinkerton Astros, on their home turf, by a score of 42 to 24. The momentous victory is a stepping stone in what

has been a promising season thus far. Therefore, the Londonderry Town Council sends its congratulations to the 2019 Lancer football team on its resounding victory over the Pinkerton Astros, ending an 18-year streak and wishing them

success in the remaining 2019 football season."

Farrell followed by quoting legendary football coach Vince Lombardi: "The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a

lack of will. Football is like life – it requires perseverance, self-denial, hard work, sacrifice, dedication and respect for authority."

The players and coach than shook hands with the town council members. Londonderry.

Women's Club Scholarships Madison Curtis and Jimmy Fitzgibbons and Carly Bell each received \$1,500 to assist with their college fees from the Londonderry Women's Club. From left, Sara Clark, LWC, Madison Curtis, Jimmy Fitzgibbons and Sylvia Roberts, LWC. Carly Bell is not pictured. Madison and Jimmy are attending UNH Durham and Carly is attending UMASS Amherst.

Musquash Cellar Hole Walk Celebrates Nutfield 300th

LISA DAMBROSIO
LONDONDERRY TIMES

The Londonderry Historical Society invites residents to join them on Sunday, Oct. 13 at 1 p.m. as they take a trip back in time on a special 300th Anniversary of Nutfield Musquash Cellar Hole Walk through the trails to "Old Dunstable."

This very educational nature walk will start off at the Musquash's Rolling Ridge Road Trailhead at the end of Rolling Ridge Road in Londonderry and be led by tour guide, and Musquash Historian Dr. David Ellis.

Attendees will explore the interesting former farm and home sites of long ago and learn about the families who once lived there. People will also make a stop atop the large outcrop that marked the northeast corner of Old Dunstable, granted in

1673 by the Massachusetts Bay Colony, and learn its importance in history.

This year, also marks 300 years since the First Settlers arrived in the Nutfield area and established the colony that has divided over the years to become the towns we now know as Londonderry, Derry, Windham and the Derryfield neighborhood of Manchester. What better way to celebrate this milestone anniversary than walking back in time and learning more about Londonderry's history!

Ann Chiampa, the Curator of the Londonderry Historical Society will team up with Dr. Ellis to lead the group as they did on three previous Musquash walks they offered last year.

"When I started walking the Musquash I kept coming across old cellar

holes and no one seemed to know much about them," explained Dr. Ellis, the noted author of "Cellar Holes, Roads and Features in the Masquash" of which a limited number of copies will be available for purchase for \$30 at the walk to benefit the Londonderry Historical Society.

"I started to look up old county deeds and town records and eventually I accumulated an accurate knowledge of who lived there and when." One particular property, Dr. Ellis explained, was over 800 acres and provided harvested lumber for a Lowell-based partnership that built the Lowell Mills.

"I contacted Ann Chiampa, last year to get the Historical Society interested in some of the history out in that area. She asked me to show her the various places and things that I had found. We made four or five lengthy trips out there looking at things. Then she suggested that she would love to organize some hikes, if I would be willing to lead and narrate. Ann deserves the credit to all the organization of this event and she makes them

happen," Dr. Ellis stated.

Ann Chiampa explained that her love of researching the history of Londonderry and the Musquash Cellar Holes drove the need to want to put this walk in play for Nutfield's 300th.

Dr. Ellis is excited to lead the group to some of his most interesting finds.

"There are a couple of old trail markers, one of which marks the high point on the highway between High Range Road and Thornton's Ferry where that highway was already being recorded as old and no longer in use in the late 1790s. It was a really early road that pre-dates any of the cellar holes."

He also goes on to say, "This is a great opportunity for anyone with an interest in Londonderry's early history to see some of the places where early settlers lived and to learn a little about the often overlooked fact that land in west Londonderry had actually been granted to others before the Nutfield settlers arrived at the West Running Brook."

If you are planning to attend please meet David

Musquash Historian Dr. David Ellis will be leading people through Musquash Trails and explaining the significants of the areas cellar holes.

and Ann and the rest of the group at Musquash's Rolling Ridge Road Trailhead at the end of Rolling Ridge Road in Londonderry; expect to take 2 hours for walking, discussions and exploring the sites. Good walking shoes are recommended, but also remember to dress for the

weather and surroundings, and carry water. A snack will be provided.

Please check back at the Londonderry Historical Society's facebook page at www.facebook.com/TownOfLondonderryNHHistoricalSociety for walking, discussions and exploring the sites. Good walking shoes are recommended, but also remember to dress for the

LONDONDERRY SPORTS

Lady Lancer Soccer Squad Blanks Two More Opponents

IDAN VINITSKY
LONDONDERRY TIMES

In a week that had the Londonderry High School's Girls' Varsity Soccer team achieving USA Today's top-25 teams in the country, the team continued to roll over the Division I competition by scoring seven unanswered goals in their home game against Goffstown High School on Friday, Oct. 4, under the lights on a cold windy fall night. Then the Lady Lancers blanked Salem High School 4-0.

The undefeated Lady Lancer's first two goals came in a two minute span in the first half, with Olivia Stowell scoring in the 19th minute (assist by Ashley Manor) and Gwen Barnes following her (assist by Alyssa Anderson). Both of the opening goals were perfectly placed just out of the reaching of the stretching Grizzlie goal tender.

In the second half, Londonderry doubled its lead with goals by Mia Stowell (50th minute, assist by Abbie Ellis) and Katie McCudden (55th minute, assist by Mia Stowell), before closing the game with three goals in three minutes: Olivia Stowell scored in the 70th minute (assist by Anderson), Darby Dupuis in the 72nd (assist by Manor)

and Olivia Stowell had her hat-trick completed in the 73rd minute (assist by Olivia Galluzzo).

Londonderry finished the game with 21 shots and allowed the Grizzlies only two, which were saved by goalie Liana Sawyer.

The Lady Lancers hosted Salem on Monday and kept cruising, with a 4-0 victory. Anderson opened the scoring (Abbie Ellis assisted) in the eighth minute of the game, before Olivia Stowell took over, scoring a hat trick on the 19th, 66th and 70th minute, with Dupuis, Gwen Barnes and Galluzzo assisting. Jasmine Richards only had to make one save in the game.

"This is our marathon week, Monday, Wednesday, Friday. So we are trying to give the players some rest and split it", said coach Derek Dane after the game. "The first group played the first and last 20 minutes and the rest of the group played the middle part. We got the result, no injury and that's good. We know how to win and they are enjoying it. It's looking good."

On the fact that his team was ranked 15th in the country Dane commented: "We have been ranked in the region at various times over the

Lancer Junior, Katie McCudden gets set up in front of the net against the Grizzlies/

last 10-12 years, most recently, last year. However, I don't remember us being ranked nationally. It's an honor to have this group, and the program, be recognized nationally at the mid-point of the season. My biggest concern coming into the season was 'How would we deal with adversity? How would we react if/when we were behind in a match?' We've answered that in a positive way, having come from behind in two of our matches, to

win. We still have games to play in the season and if we stay healthy we should be one of the teams playing for the state title on Saturday, November 9."

LHS senior, Darby Dupuis, at right rushes in on a Goffstown defender. Photos by Chris Paul

The now 11-0 Lady Lancers have scored a jaw dropping 58 goals this season against their opponents and Jasmine Richards has only given up a mere three.

Londonderry was scheduled to travel to Portsmouth on Wednesday and will have another road game at Dover High School on Friday, Oct. 11, 4 p.m.

Field Hockey Starts New Winning Streak with Two Home Victories

IDAN VINITSKY
LONDONDERRY TIMES

The Londonderry High School's Varsity Field Hockey team was able to put an end to a two-game losing streak by beating the 3-6-1 Bedford Lady Bulldogs at home, 2-1 last week and

then clipping the 3-8 Black Birds 3-1 on Monday, Oct. 7.

After dropping back-to-back games against Windham High School and Pinkerton Academy, the Lady Lancers (8-2) fell behind again on Wednesday, Oct. 2, when Bedford

scored 12 minutes into the game at LHS.

Londonderry's answer came exactly seven minutes later, when Kayla Miles assisted Courtney Shay's equalizer. The game-winning goal was scored by Jenna Madigan, on a Shay assist, nine min-

utes after the break, with Londonderry battling hard to keep the slight lead all the way until the final whistle. Riley Walter made two saves for the winners in this very close contest.

Coach Nicole Treadway said, after the game, "We needed to win this game, definitely. We had our toughest stretch of the season. We have some tough competition and Division I is anybody's game, whoever shows up. We are talented but have to be on and give 100 percent, or it's not going to happen for us."

Then, on Monday, Londonderry had to come from behind again at home against Keene High School, this time, they were able to pull away with a 3-1 victory and improve their season record to 9-2.

In that game, the Blackbirds took a surprising lead with 19 minutes to play, after a rebound kicked out in front, but Londonderry came storming back with a brace by Courtney Shay, the first one coming just 73 seconds after Keene's goal (Izzy Augusta had the assist after a corner)

and the second with 12:17 on the clock, on a Kayla Miles assist. Miles also provided the assist for the final goal at the 2:07 mark, with a great cross that Rease St. Gelais pushed in. Riley Walter had four saves in the game.

The Lancers will have two more home games as the regular season winds down. On Wednesday, Oct. 9 against a strong Winnacunnet (7-3) and Nashua North (0-11) on Friday, Oct. 18, before ending the regular season next week at Concord High School (8-3).

Lancers Emily Cowette and Chelsea Mullen take on Bedford defenders at Londonderry last week. Photo by Chris Paul

Lancer Football Squad Continues to Dominate Their Opposition

IDAN VINITSKY
LONDONDERRY TIMES

As the Lancers prepare for a big showdown with the reigning Division I State Champion's Bedford bulldogs on Friday night in Bedford, the Londonderry High School's Varsity Football team continued its dominance in the division on Saturday afternoon, Oct. 5, with a big 49-3 at Windham High School. The Lancers are now sitting undefeated with a 5-0 record and have already completed a clean sweep of the South Division. Those victories over the others in the five-team division, guaranteed to get them a playoff spot.

Lancer head coach Jimmy Lauzon's defense started the game with their southern neighbors well, forcing Windham to a quick three-and-out.

That quick series was followed by a 67-yard pass from quarterback Jake McEachern to Cole Keegan and a three-yard touchdown run by the quarterback himself. On the next drive, McEachern found Tyler Kayo for an eight-yard touchdown pass.

The opening quarter ended with a 14-0 Londonderry lead, and the visitors continued to dominate the Windham defense by scoring three more touchdowns in the second quarter, to lead 35-3 by halftime.

In that quarter, running back Jeff Wiedenfeld found the end zone from the goal line and later, McEachern threw his second and third touchdown passes, one to Cole Keegan for 21-yards and another to Alex Tssetsilas, for 14 after the Lancer

defense caused a Windham fumble.

Jake McEachern then started the second half by scoring with his feet again, on a short run, before his brother Dylan McEachern ran for a 19-yard touchdown, the last one of the afternoon.

With its latest win the Lancers have outscored their opponents 237-66 over the first five games and have averaged an outstanding 47.4 points per game.

Londonderry's upcoming away game at Bedford High School, will be a major test for the Lancers, both squads the same 5-0 season record, will kick off is at 7 p.m. on Friday, Oct. 11. The Lancers next home game is on Friday, Oct. 18, at 7 p.m. against a fairly decent Goffstown team who currently sit a 4-1.

Lancer Golfer Riley Anderson Takes State Championship

IDAN VINITSKY
LONDONDERRY TIMES

Londonderry High School's junior Riley Anderson won the New Hampshire State Girls' Golf Championship in the Medal Division (nine holes) on Saturday, Oct. 5, at Campbell's Scottish Highland Golf Course in Salem.

Anderson, who has been a vital part of the Lancers Varsity Golf team this season, was able to shoot a 38 on the nine-hole course, three over par, and won the girls division by a wide, six shot margin. The win qualified her to play in the New England Championship.

Prior to that, Anderson and the Lancers had another busy week, playing two matches in three

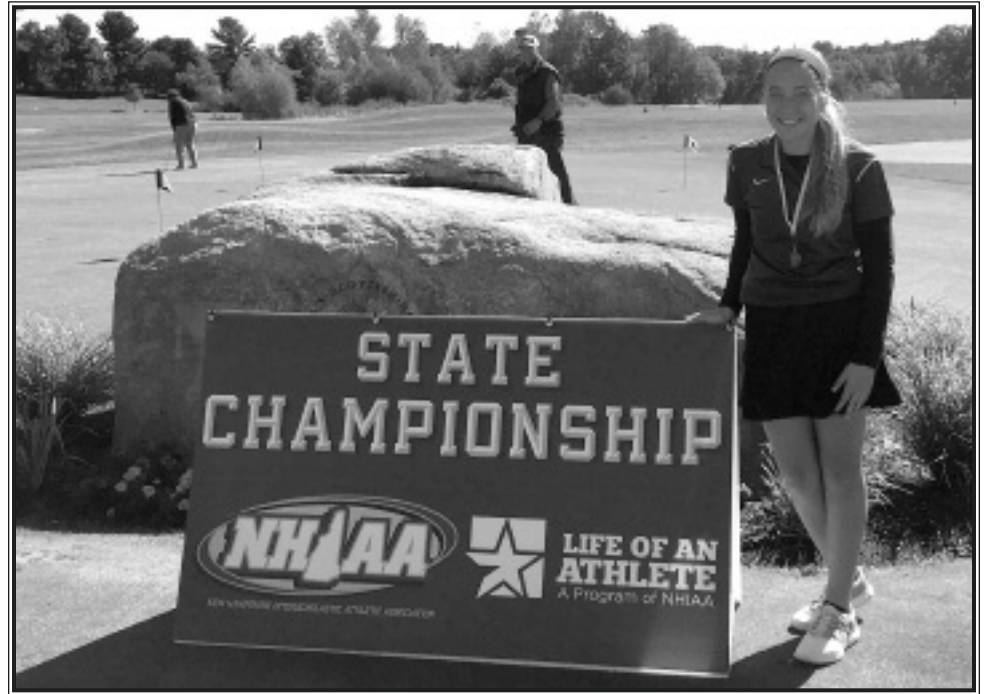

days, after the second was postponed in a day due to rain. On Tuesday, Oct. 1, at Campbell's Scottish Highland Golf Course, Londonderry shot a season low of 201, beating both Salem (208) and Dover (213). The Lancers were led in this game by senior Sam Seibert, who fired a career low of 37. Anderson and fellow junior Josh Traynham also had career lows, of 39 each.

Two days later, on Thursday, Oct. 3, Londonderry won again in two close games, this time over Alvirne High School and Manchester Memorial at their home course, Passaconaway Country Club in Litchfield.

The Lancers were three shots behind when

the final group finished up, but the home squad was saved by Seibert, who rallied to shoot a game of 44, bringing the team's score down to 220 in very wet and cold weather conditions. That tied the Broncos score and the tiebreaker went to the sixth score, where Zach Rheault's 47 proved to be enough for the victory. Memorial finished with 224.

On Monday, Oct. 7, the Lancers played at Derryfield Country Club in Manchester against Nashua North, Timberlane and Manchester Central, finishing at second place with a team total of 208. North won with 204, Timberlane finished with 211 and Central with 235. Leading the charge for the

Riley Anderson won the New Hampshire State Girls' Golf Championship in the Medal Division on Saturday, Oct. 5. Courtesy photo

Lancers was James Griffin with a team-low of 39. Josh Traynham was last to finish and proved to be the decisive score against Timberlane,

thanks to his score of 41 shots. Matt Anderson shot 42, Drew Cameron, 43 and Ryan Gervais, 44. Londonderry's regular season ended on

Tuesday, after the Londonderry Times went to print, with a home meet against Nashua North and Spaulding.

Students Ready for 35th Annual Cross Country Race

IDAN VINITSKY
LONDONDERRY TIMES

Students from the three Londonderry elementary schools, Matthew Thornton, North School and South School, will be participating in the 35th annual cross country race this Thursday, Oct. 10.

Coach Suzanne Johnson says that this year, the anticipation is for 150 fifth graders to be part of the race and are hoping to see as many as 200 fans, cheering and supporting the runners.

The race will start at approximately 4 p.m., on the Londonderry High School track, with the boys and the girls running in separate races. Both races, as well as the

award ceremony for the winners, should be over shortly after 5 p.m.

The rain date for the races is Oct. 15, next Tuesday.

Lancer Volleyball Squad Ends Skid with Win Over Grizzlies

IDAN VINITSKY
LONDONDERRY TIMES

Londonderry High School's Varsity Volleyball team put an end to a seven-game losing streak on Friday, Oct. 4, with a 3-0 victory at Goffstown High School.

The Lady Lancers, coming off another tough

loss on Wednesday, Oct. 2, to Bedford High School at home bounced back to beat the Grizzlies on their home court. The LHS squad won the first set 25-20 and dominated from there on, with 25-12 in the second and 25-16 in the third.

Laura Haas had six

digs and nine service points, including two aces. Maddie Rankin finished with five digs, Anna Haas had 10 assists and Lexi Small eight, plus 16 service points (three aces). Kelsey Sanborn led with 11 kills.

That victory came two days after a 3-2 loss at home to the Lady Bulldogs.

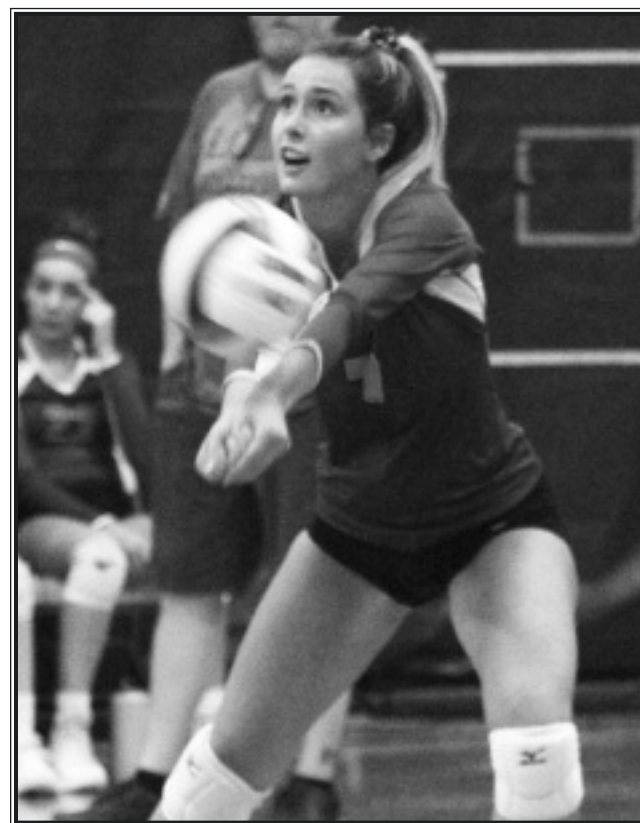

Bedford played well in the first two sets, winning 25-13, 25-16, but Londonderry came back strong with 25-17, 27-25 wins, before the visitors took the tiebreaker, 15-6. Laura Haas had nine digs in that game and Anna Haas played great, finishing with 20 assists, six kills and 10 service points, including two aces. Small had nine assists and 15 service points (five aces). Sanborn had 17 kills.

On Monday, Oct. 7, Londonderry (3-9) was able to put up a good fight to the undefeated Nashua South (12-0), but lost at home 3-1. The Lady Purple Panthers are one of two undefeated teams left in Division one after beating Pinkerton last week. Hollis-Brookline is also undefeated.

The Lady Lancers took the first set, 25-19, despite falling behind after an early 14-6 lead. South

recovered with a dominant 25-11 second set and went on to win the game with 25-20, 25-14. Laura Haas had 14 service points (three aces) and nine digs. Sanborn finished with 14 kills, Anna Haas with seven assists and Maddie Rankin had 10 digs and a couple of aces. That game was also the team's annual "pink game" and the \$120 collected at the event, was donated by the Lancers to Dana-Farber/New Hampshire Oncology-Hematology in Londonderry.

The LHS team will have a tough week coming as they play at Salem High School (8-4) on Wednesday, Oct. 9 and will have a home game against Dover (9-3) on Friday, Oct. 11.

LHS junior Emma Detellis defends a serve at home against Bedford last week. Photo by Chris Paul

Athletes of the Week

Week of Sept. 30

Alex Tsetsilas, Senior, Football

Alex has had a big impact on the team this year, both on offense and defense. He leads the team in interceptions and has scored in every game this season. He is both a running and receiving threat, which helps make our offense very dynamic.

Rylee McGrath, Junior, Field Hockey

Rylee had a big defensive game for against Bedford last week, helping her team earn the 2-1 win. She has been playing in various positions on the field and maintains her consistency with whatever spot she is in.

Student Athletes supplied by Athletic Department

Lancer Cross Country Boys and Girls Win in Rochester Meet

IDAN VINITSKY
LONDONDERRY TIMES

The Londonderry Cross Country boys' and girls' teams were both dominant last Tuesday, Oct. 1, winning their meeting in Rochester against the hosts Spaulding High School and Timberlane

Regional High School.

The boys had runners in all five first spots, with Will Heenan winning the race after crossing the finish line at 17:06 minutes. Matt Griffin came in second and Ryan Young third, both one second after Heenan. Sean Clegg was fourth (17:17) and

Kerry Daley fifth (17:26), with the Lancers scoring a team total of 15. Timberlane was second with 57 points and Spaulding third, with 67.

The girls' had seven of the fastest eight runners, winning with a team total of 18. Spaulding was second with 50 and Timberlane third, scoring 72.

Caitlin Boufford won the individual race with a great time of 19:49, 16 seconds better than Grace McDonough. Cailey McDonough came in fourth (21:13), Cailin Borovicka was fifth (21:52) and Emily Smith sixth (21:58).

Londonderry Boys' Soccer Squad Beats Panthers, Tie Grizzlies

IDAN VINITSKY
LONDONDERRY TIMES

After a very tough stretch of three straight winless games, including a disappointing tie at Pinkerton Academy on Mack Plaque weekend, the Londonderry High School's Boys' Varsity Soccer team enjoyed its best result of the season on Tuesday, Oct. 1, when they shut out a fairly strong Nashua South High School team and handed them just their second loss of the season by a score of 2-0 in Londonderry.

The now 3-4-3 Lancer

Boys got on the scoreboard early, when Colin Leblanc set Anthony Ramy's opener in the fourth minute of the game. Ramy completed his double in the 64th minute, with a good header off a set play from Nick Weinmann. Goalie Alex Hufford made three saves for the winners.

Lancer head coach Todd Ellis commented after the game, "I thought this was the most complete game we have played to date. I told the players that our effort has been good as of late, and we are gener-

ating quality chances. We just need to put them into the back of the net. Anthony did a good job getting us started and his second goal came at a great time. Nashua put some pressure on us to start the second half. It was nice to see the team get the win."

Following that win, three days later, on Friday, Oct. 4, the Lancer boys wound up in a goalless tie with the Grizzlies at Goffstown High School,

Once again, Hufford made three saves for the Lancers.

A disappointed Ellis

said, "Hunter Smith had our best scoring chance about 30 seconds into the game. Keeper got enough of it to deflect it off the post. We had the better of the possession and created some good chances, but could not get it past their keeper. I thought our defense and keeper had another great game, and has now recorded back to back shut outs."

Londonderry played at Salem on Tuesday, after the Londonderry Times press time and will host Dover on Friday night, Oct. 11, starting at 6 p.m.

Coach Lauzon to Lead Team East in 2020 CHaD Game

IDAN VINITSKY
LONDONDERRY TIMES

Londonderry High School's Varsity Football coach, Jimmy Lauzon, was named as Team East's coach for the 2020 CHaD NH East-West High School All-Star Football Game. The game, powered by Bedford and

Nashua Ambulatory Surgical Centers, is held at the end of the school year and brings together the top graduating senior football players from all across the state.

Lauzon said of the role he would assume, "It's an honor to be a part of the game, let alone be the

head coach. Our staff had a lot of fun coaching in the game last year and we are grateful that we were asked to coach again. Everything about the game is great, we coach great kids for a great cause and everyone has a lot of fun with it. Nick Vilas, the founder of the

game, has built this game into one of the best things going in New Hampshire and I'm happy Londonderry Football is involved."

More than 80 players, who are beginning these days their final year of high school football will be selected to play in next year's fundraising game to benefit programs and services at Children's Hospital at Dartmouth-Hitchcock (CHaD).

Several weeks ago, Team East, guided by Lauzon, won the 2019

CHaD match, 17-13. This will be coach Lauzon's fifth year serving in the CHaD game and his second straight as the head coach. Team West will be coached by Robin Bowkett from Souhegan and both head coaches will put together their coaching staff in the next two months, while also keeping an eye on potential players for the rosters.

Official nominations will be sent to all high school coaches in the state in mid-October. The

CHaD coaching staffs will select their players in late November, followed by the kick-off tour and orientation in January at Dartmouth-Hitchcock Medical Center in Lebanon. The 2020 CHaD Football Game is slated for late June with kick-off time and venue information to be announced in the coming months. Last year's contest raised almost \$250,000, including \$80,000 generated by the players. Additional info can be found at www.CHaDAll-StarFootball.org.

Musquash Cellar Holes Walk To Old Dunstable

On Sunday, Oct. 13, from 1 - 3 p.m., Come join the Londonderry Historical Society as we take a walk back in time on our special 300th Anniversary of Nutfield - Musquash Cellar Hole Walk with tour guide/Musquash Historian Dr. David J. Ellis. We'll be visiting interesting former farm and home sites and learning about the families who once lived there, along with a stop atop the large rock outcrop that marks the northeast corner of Old Dunstable, granted in 1673 by the Massachusetts Bay Colony. We'll meet at the Musquash's Rolling Ridge Road Trail Head at the end of ROLLING RIDGE ROAD in Londonderry; expect it to take 2 hours for walking, discussions and exploring the sites. Good

walking shoes are recommended, but also remember to dress for the weather and surroundings, and bring a water bottle. A snack will be provided. We look forward to seeing you. Please check the Londonderry Historical Society's Facebook page at www.facebook.com/TownOfLondonderryNHHistoricalSociety for weather updates and more information.

Model Railroading

On Oct. 11, Seacoast Division of the National Model Railroad Association is running their Derry Fun Night program. The program is held the second Friday night of each month, 7 - 9 p.m., at the Marion Garish Community Center, 39 West Broadway, Derry, NH. Nelson LeMay will show us how he builds containers for a fraction of the cost of purchasing them. Always a part of the program is Model Showcase where modelers bring in the latest project they are working on to show and discuss. Each month a different AP certificate will be discussed. We will set up a swap table for modelers to bring anything that you would want to give away, sell or swap to other modelers. Remember, one man's junk is another man's treasure. For additional information go to the Division's website at seacoastnmra.org/calendar.

Healthy Londonderry

Healthy Londonderry and the South Central Public Health Network will host an evening of Health, Safety and Wellness. With something for everyone, the evening will include Halloween Pumpkin decorating, Trick or Treat Safety Tips and a few safe holiday goodies for the kids. Doors will open at 6 p.m. with the Narcan Training portion of the program to begin promptly at 6:30 p.m. on Oct. 23. Learn about recognizing the symptoms of overdose and providing assistance, participate in a Stop the Bleed training (how to help until professionals arrive), participate in a brief balance screening for older adults under the Matter of Balance umbrella, offer an onsite Hepatitis A vaccination station, information about safe drug disposal and the DEA Drug Take Back Day and a number of other opportunities. Please sign up and bring the entire family. Pizza and

Classified Advertising

READERS ARE CAUTIONED that we occasionally run ads that require an initial investment or money in advance. We urge our readers to **"do their homework"** before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.

Around Town

Continued from page 16

Nashua Country Club Ballroom, 25 Fairway St., Nashua. The event will begin with a cocktail reception (cash bar) and hors d'oeuvres with a carving station from 6 - 7:15 p.m. Then Entertainment will kick off with two comedy acts, headlined by "Ace" Aceto from Rhode Island. The night will then move to dancing and fun lead by DJ Tom Taliaferro of Mr. Melody Productions. A Silent Auction will also take place with a number of top notch live auction items. Please consider purchasing a ticket, enjoying a great evening, and help Rotary continue its mission of "service Above Self" here in Londonderry. Tickets for the event are \$40 per person and can be purchased from: Mike Dolan at 774-245-2279 or mikedolan@comcast.net, Faye Sell at faye@martinellitravel.com, or contact and Rotarian.

Library Hours

The October hours for the Leach Library are as follows: Monday - Thursday, 9 a.m. - 8 p.m., Friday - Saturday, 9 a.m. - 5 p.m. The library will be closed on Monday, Oct. 14, for Columbus Day.

Guess It Jar

From now until 8 p.m. on Thursday, Oct. 31 participants in grades 6 - 12 are invited to guess how many keychains are in the jar located at the Leach Library circulation desk. The per-

son with the closest match, over or under, will win a prize bag that includes a Barnes & Noble gift certificate! In the event of a tie, the winner will be chosen by random drawing.

Take and Make

From now until 8 p.m. on Thursday, Oct. 31 participants in grades 6 - 12 are invited to pick up supplies to create your own Color Craze bookmarks at the Leach Library. Craft supplies are located at the Leach Library circulation desk.

Adult Programs

Mr. Davis Bates will present "Halloween Harvest: Ghosts, Goblins & More." On Thursday, Oct. 17 at 7 p.m., at the Leach Library. Join Mr. Bates as he performs harvest stories from the past and present, songs of the supernatural, Native American stories, true-life ghost stories, and family tales. There will be sing-alongs in addition to a short lesson in how to play music with spoons from a kitchen drawer. This program is free and open to the public with seating limited to the first 90 individuals. It will be held in the library's lower-level meeting room. Light refreshments will be served.

Jack O' Lantern Jamboree

On Monday, Oct. 21 and Tuesday, Oct. 22 from 4:30 - 5:30 p.m., at the Leach Library. Those who wish to may participate in a costume parade beginning at 4:15 p.m. each day. During this fun-filled program, we

will say Go Away Big Green Monster and meet a Little Old Lady Who Swallowed a Bat. After singing a couple of Halloween songs, we will play a shadow shape game. All participants will leave with a treat bag filled with festive prizes, as well as a coloring craft. These programs are open to 90 participants for each session and advance registration is required. To register, stop by the Children's Room or call 432-1127 beginning at 9 a.m. on Tuesday, Oct. 15.

I Spy Bottle

From now until 8 p.m. on Thursday, Oct. 31. See how many hidden objects from the list you can find in the bottle! The game will be available at the Leach Library Children's Room desk.

Create a Craft

A new craft may be picked up at the Leach Library each week starting at 9 a.m. on Monday Oct. 15, 21, and 28, and will be available until 5 p.m. each Saturday. The library will provide supplies for a new, creative craft and place them in the box on the spotlight shelf for patrons to create.

Delve into Knowledge

A new trivia challenge will be available each week at the Leach Library starting at 9 a.m. on Monday Oct. 15, 21, and 28, and will be available until 5 p.m. each Saturday. Stop by the Children's Room desk to answer our special trivia challenge question. If you are not sure of the answer, use one of our

books or the Internet to help you. All answers will be entered into a drawing for a chance to win a cool prize.

Craft Time

Leach Library will hold craft time on Wednesdays from 9:30 - 10:15 a.m. for children to explore their creative side. Each week, participants will discover a different fun craft to make using a variety of materials. Advance registration is required. Meeting dates are: Oct. 16, 23, 30, and Nov. 6.

Shake, Move & Read

This exhilarating and fun-filled program will be held on Wednesdays from 4 - 4:45 p.m. at the Leach Library. Advance registration is required. Meeting dates are: Oct. 16, 23, 30, and Nov. 6. Each week, participants will energetically explore a different theme using songs, fantastic finger plays, a story and simple craft. From the opening welcome song to the final finger play, participants will be moving and grooving the afternoon away.

Toddler Time

This Leach Library program is open to children ages 2 & 3. Children attend with their parents and enjoy a fun half-hour of thematic stories, games, songs and a simple craft. Meets on Thursdays, from 9:30 - 10 a.m. Advance registration is required. Meeting dates are: Oct. 17, 24, 31, and Nov. 7.

Scarecrow Hats

Come to the Leach Library on Monday, Nov. 4

from 4 - 5 p.m. for "Scarecrow Hats". During this program, we will get to know Otis and the Scarecrow, find out what a Scaredycrow is, and learn what's special about a Scarecrow's Hat. After a couple of songs about scarecrows, we'll wrap things up with a scarecrow matching game. Each participant will be able to choose a special Thanksgiving rubber ducky before leaving. This fun program is open to 90 participants of all ages and advance registration is required. To register, stop by the Children's Room or call 432-1127 beginning at 9 a.m. on Monday, Oct. 28.

Ladybug Award

Each year, librarians from around the state nominate ten outstanding picture books to be voted on by the children of New Hampshire. Participants in preschool through grade 3 can vote on their favorite book from the list of nominated titles. The books will be on display this month and next at the Leach Library. Stop by and read one of the titles and be ready to cast your vote starting at 9 a.m. on Tuesday, Nov. 12 and ending at 5 p.m. on Saturday, Nov. 16. Everyone who votes will be entered into a drawing for a chance to win a fun Ladybug prize.

Bake Sale

A benefit bake sale at Mack's Apples will be held by Community Caregivers of Greater Derry on Sunday, Oct. 20 from 9 a.m. - 4 p.m. The bake sale will feature homemade treats for sale, and people are asked to provide their favorite baked goods. Those who donate are asked to have their items individually wrapped and dropped off Sat., Oct. 19 from 1 - 4 p.m., at the Episcopal Church of St. Peter, 3 Peabody Row, Londonderry or brought to Mack's, 230 Mammoth Rd., Londonderry, on the day of the sale. Call 432-0877 X-1 for more information or to let us know what items to expect.

Family Spaghetti Dinner

The Londonderry Republican Committee will be holding a Fall Family Spaghetti Dinner on Saturday, Nov. 9, from 5 - 8 p.m. at the Victory Baptist Church, 78 Litchfield Rd., Londonderry. Our program includes introductions of our available 2020 Candidates for US Senate and House, as well as other

candidates. More details will be published as we get closer to the event date. We've also planned to have a Silent Auction with some lovely baskets and a 50/50 raffle. So please save the date and plan on joining us for great food and company, music, and fun! The dinner is a great bargain at \$10/pp age 13 and above, and of course children 12 and under are free. We'll be sending out another invitation in October with more details, but if you want to secure your reservation now, please call Janet Huttula at 603-432-7368 or email her at hutttula7@comcast.net.

Household Hazardous Waste Day

The Town of Londonderry is hosting its Fall Household Hazardous Waste Day on Saturday, Nov. 23, from 9 a.m. - Noon at Nelson Fields (LAFA) off Sargent Rd., (Behind the Central Fire Station). Residents who have Household Hazardous Material such as Pesticides or Herbicides, Oil Base Paints, Paint Remover or Thinner, Solvents/Degreasers, Household cleaners, Pool Chemicals, old Gasoline or Anti-freeze will be able to dispose of these items. For further information please contact Robert Kerry, Department of Public Works in Londonderry at 432-1100 ext. 137 or visit the Town of Londonderry website at www.londonderrynh.org/environmental-services-solid-waste.

Child Find Program

Free Community Child Find Program for all Londonderry residents ages two 1/2 - five years, 11 months (5.11) Of Age, who are suspected of having vision or hearing problems or developmental concerns. Child Find will be held at the Londonderry early education program (L.E.E.P.) Moose Hill School - 150 Pillsbury Rd., on Dec. 5, Feb. 6, and April 2. We encourage parents of preschoolers to set up an appointment if they have any concerns. For more information, or to schedule an appointment, call: Kathy Kelley 437-5855, Ext. 7223, between 9 a.m. - 3 p.m. No Child Will Be Seen Without An Appointment. For children birth to 2.5 years old, please contact Beth Warner at The Moore Center 603-206-2732 or Lynne Thomas at Easter Seals 603.666.5982 Ext. 34. Both providers are connected with family centered early supports & services.
