Zoning Board Approves Four Variance Requests

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry Zoning Board of Adjustments met on Wednesday, Sept. 16, and decided on four variance requests brought before them.

The first of which

was for an addition being constructed at One Walton Circle. The owners, Nicholas and Amanda Saye were looking to encroach five-feet into the front setback for a small addition.

Nicholas Saye explained to the board

that since this a fairly minor addition, and that granting the variance would not affect any of the surrounding properties, nor would it affect their property values.

Saye explained that because of the way the

Ordinance on Wearing Masks Tabled by Council

CHRIS PAUL
LONDONDERRY TIMES

During the Town Council meeting held on Monday night, Oct. 5, members voted to table further discussions on an ordinance, mandating mask wearing in Londonderry until it becomes necessary to enact it.

Over the course of the past several meeting the Town Council has been discussing the idea of putting forth the ordinance, but have yet to make a solid decision, citing the fact that there just isn't a need in town, since the number of active cases is so small.

On Monday night, in public comment, resident John Best attended the meeting to give his feelings on the subject, saying that the masks are nothing more than a hoax, and that if anything, masks contribute to other illnesses.

He ended his discussion with, "Stop watching TV, stop listening to politicians and research this thing. Stop wearing the mask, they're hazardous to your health."

Best has attended two recent meetings, and both times wore a mask labeled "HOAX" covering the top portion of his head with eye-

holes cut out to see.

The agenda item that Best was referring to was a request from Fire Chief Darren O'Brien to institute something that could be brought up at a later date for making wearing coverings mandatory in town, in the event that the cases in Londonderry warranted it.

Town Manager Kevin Smith explained the ordinance, saying that it was a fairly generic one, crafted from others used around the state. The only real difference in this one was a trigger that was put into it that

Town Council Makes Their Own Choices for Planning Board

CHRIS PAUL
LONDONDERRY TIMES

Over the past several months, there have been four positions made available on the Planning Board due to members leaving for various reasons. During the Town Council meeting on Monday night, Oct. 6, the council made their decisions on those positions, one of which went against what the Planning Board had recommended.

At last weeks meeting, the Town Council had voted to appoint Lynn Wiles to an alternate position that will expire in December of

2020. Wiles had served on the board before, and most of the council was familiar with him.

But at that meeting, Councilor Jim Butler invoked his councilor privilege to hold off making other decisions on appointments suggesting that he would be recommending Jeff Penta over the Planning Board choice of Roger Fillio for the full-time position.

The Planning Board had recommended that Fillio take the spot of Scott Benson who had recently resigned, and that Ann Chiampa be given the seat of Mary Soares, who had left town. Both of those

seats are full-time seats and allow them to vote on the Planning Board.

Because of that motion by Butler, Chiampa felt that it would be in her best interest to attend the Monday night meeting and state her case during public comment. She told the council that Soares seat has

Zoning

Continued from page 1

foundation was originally placed on the property, it has forced him to encroach into the front setback, and had the foundation not been placed on an angle on the property, there wouldn't be a need for the hearing.

The 4x8' addition would be to create a larger front entrance, and alleviate problems getting into his basement door.

With very few questions, the board voted unanimously to grant the variance.

The second case concerned a changeable electronic message board sign, which would be placed at 11 Nashua Road at Nutfield Petroleum where they are usually prohibited. The request for a variance was presented by NH Signs owner, Peter March on behalf of Asaba Realty.

The board stated that there were five previous cases such as this one heard in the past, most of which were granted with restrictions.

March told the board that his company is proposing to reface an existing Mobil sign and

replace the price portion with electronic price changes. He said that this would not affect the size of the sign, which is 58 square feet.

March also explained that the portion being changed could not be considered a message board, as they would only display prices and nothing else. He added that this would enhance the area and make it easier for drivers to see the gas prices.

Two issues that came up during discussions of the variance were the base of the unit, citing that it would need to be upgraded, the lighting

should all be amber or red lighting and for the sign should not to exceed the total square footage of previous restrictions. The variance request was granted unanimously.

The third case of the evening was to allow a variance to Tyler and Lindsey Grant for a six-foot fence at their home at One Sheridan Drive, where only four-foot fence is allowed. The fence would also encroach the 40-foot setback by 25-feet.

Tyler Grant explained that the fence would be constructed around a proposed pool that they would be

installing next year. He said that pool would be placed close to the house because there is a pond area in his backyard and there is also a lot of granite on the property. There are also irrigation lines that need to be avoided when they construct the pool and the fence.

The board granted the variance with the restriction that the fence

not encroach more than 25-feet on the Woods Avenue side of the property.

The fourth variance request that evening was by Michelle Powers, 4 Hawthorne Road. She was looking to construct a carport five-feet into the 15-foot setback.

That request was also granted without too much discussion.

Masks

Continued from page 1

would allow the town council to enact mandate when there is a COVID-19 outbreak.

Councilor Tom Dolan asked if there would be a way to have the ordinance could cover more than just the COVID-19, and wanted to adjust it to give the town the ability to invoke the ordinance for things that don't involve the current pandemic.

Smith responded that in his discussions with the town attorney,

he was told that would open the doors to a legal challenge if it were to be made more generic.

Dolan was hoping to be able to implement it the plan on something other than COVID-19, but rescinded his suggestion, saying that the attorney knows more than he on the subject.

Councilor Deb Paul requested that there be some sort of examples given on what the triggers would be for the council to move forward with the ordinance.

Chief O'Brien spoke, saying that Londonderry

has been pretty stable over the past month with only about six active cases. He said his trigger would involve a massive number increase in cases, or guidance from the state or federal government.

O'Brien said that he feels masks are doing their job at keeping the numbers down, disagreeing with the earlier comments made that they were a hoax.

Paul asked for a number to go along with the word "massive," saying that she'd like to have an idea of what trigger the mandate.

O'Brien responded that he didn't want to be the sole voice to insti-

tute the ordinance, but thought it should be a group effort. He didn't provide a specific number, saying he would come before the council when he felt it was necessary.

In the end it was determined that the ordinance should be left without a specific trigger number in case an outbreak was secluded to a controlled such as an assisted living facility.

The Town Council then voted to table the discussion on the ordinance until a time comes where they have to further discuss and enact it.

OBITUARY

Sherryl Kay Marchant

Sherryl Kay Marchant, 71, of Londonderry, NH, passed away after a year-long battle with Ovarian Cancer on Thursday, Oct. 1, 2020, at the Elliot Hospital. She fought so hard and endured more than we could possibly imagine, in an effort to have more time with her family, whom she loved dearly. She was the strongest and most brave person we have ever known, a true warrior.

Sherryl was born on Nov. 5, 1948 in Woodward, OK, daughter of the late George and Helen (Neville) Hawbaker. Sherryl was wholeheartedly devoted to her family. Raising 6 children, with limited income was a challenge, but she always found a way to make the best out of every situation. Her greatest joy in life was her family, and raising and caring for her children and grandchildren. Her family will always remember her kindness, compassion and unconditional love, as well as her unwavering optimism of life. Sherryl was selfless, always putting others' needs and happiness before her own, even while fighting her battle with cancer. She was and always will be the glue that binds the family together. She was the heart of every family event and celebration. Sherryl was a bright light in this world and a blessing to all who had the privilege of knowing her.

She is survived by her six children, David, Michael, Timothy, Lisa, Daniel and Elizabeth; the children's father Richard Marchant; 11 grandchildren; two brothers, Gary Hawbaker and Dale Hawbaker, as well as many nieces and nephews. She was predeceased by one brother Darryl Hawbaker in 2010.

There are no calling hours. Following cremation, memorial services will be held Monday, Oct. 5, at 5 p.m. at the Derry Seventh Day Adventist Church, 7 Brook St., Derry NH 03038. The Peabody Funeral Homes and Crematorium, 15 Birch St., Derry are assisting the family with arrangements. If you are unable to attend and wish to send flowers, please do so (mom loves carnations). To send a condolence or for more information, please visit, www.peabodyfuneralhome.com.

Drought Conditions in New Hampshire Predicted To Persist Through the Fall

On Thursday, Oct. 1, the New Hampshire Drought Management Team met to discuss drought conditions and impacts in the state. According to the U.S. Drought Monitor, currently 11% of the state is in "extreme drought (D3)", 84% is in "severe drought (D2)" and 5% is in "moderate drought (D1)".

State Climatologist Mary Stampone gave an overview on the latest drought conditions and forecasts, which indicated that drought will likely persist across southeastern NH through the fall. According to Stampone, the well-below average precipitation received in Sept., caused drought conditions to deteriorate. She also indicated that recent rainfall and the precipitation forecast for the next week will not be enough to make up for the substantial deficit for the year.

Leadership and staff from New Hampshire Department of Environmental Services (NHDES) up-

dated the team on water resource impacts and management efforts. Lake levels continue to fall and some are below levels experienced in decades. While water supply reservoirs are low, they currently have enough water to meet demands. Boaters and swimmers should take caution on recreation lakes, as hazards increased due to submerged obstructions closer to the surface.

Flow conditions are very low in NH's rivers and streams. Recent small storms provided only brief relief in some parts of the state; however most of the state is experiencing flows below the lowest 10% recorded for this time of year. Water management actions, such as reduced outdoor water use and switching to groundwater sources, continue to be implemented in the Lamprey and Souhegan River watersheds as a part of the In stream Flow Program.

For groundwater, of the 31 monitoring wells

across the state, the majority is much lower than normal, with water levels that dropped between Aug. - Sept. in all wells. Large groundwater permit holders are being held to permit conditions related to reducing withdrawals during drought, and community water systems have been urged to implement outdoor water use restrictions. To date, 165 community systems and 7 municipalities have implemented restrictions.

The well drilling and pump industry is busy keeping up with water demands. Southern areas of the state are experiencing an increase in the installation of bedrock wells to replace existing wells that have little to no well yield; this is predominantly due to shallow bedrock fractures supplying less water to the well. The northern portions of the state are experiencing a high volume of dug wells going dry due to the water table dropping below the bottom of the well.

There is an increased demand to replace dry shallow dug wells with new bedrock wells. Homeowners can explore options to use auxiliary tanks or connect to neighbor's water system in order to supply water to the home. NHDES does not encourage delivering bulk water to wells, but if you do, see our website for cautions.

NHDES urges the public to stop using water for non-essential purposes such as lawn watering, hosing down or power

washing outdoor surfaces, or car washing. To view the latest drought conditions, the presentation slides, and the recording from Thursday's meeting, and information related to saving water and managing residential wells during drought, are available. Go to www.des.nh.gov and use the "A-Z list" and scroll down to Drought Management.

The NH Division of Forest and Lands gave a comprehensive update on the increasing forest

fire danger and reviewed the statewide restriction on smoking and outdoor fires. The Agriculture organizations reviewed the impact to crops statewide, and reminded all agencies that NH farmers are heavily impacted, but still have many products for sale and encouraged all to continue to support local farmers.

For more information, contact Jim Martin, NHDES Public Information Officer, at james.martin@des.nh.gov or (603) 568-9777.

Appointments

Continued from page 1

been empty for about seven months and hoped that the Council would honor the Planning Boards request to appoint her in that seat.

Immediately after that plea, members unanimously voted to appoint her to that spot.

However, later in the meeting, after a short discussion, Butler made a motion to appoint Penta to the other full-time position, and Jason

Knights to the open alternate spot, leaving Fillio in his current spot, even though he had requested the full-time spot.

The motion carried, 4-1 although Councilor Deb Paul protested, saying that there hadn't been any discussion on the vote.

Both Chairman John Farrell and Tom Dolan explained that they would only have a discussion if there was a request to do so, but Paul argued that there wasn't any time given for

that to have happened.

The Town Council also appointed Brendan O'Brien to a full-time position on the Zoning Board of Adjustments. O'Brien is currently an alternate on the board.

They held off make their choice for the alternate seat to fill O'Brien's spot, saying that they would like to interview another candidate who had applied.

Currently, Irene Macarelli and David Armstrong have applied for the alternate position.

Editorial

Orange Is The Color For This Season

The color orange comes to mind. Pumpkins and turning leaves, of course, but that special hunter orange that becomes part of our attire in the out of doors at this time of year is particularly important.

It's hunting season in the Granite State again, and that means those pristine woods in back of your home or along your favorite path are likely to resound with more than bird song.

The sounds of gunshots will soon be heard along with the leaf blowers, and that means exercising extra caution when you're in or near the woods whether you're aiming the gun or sipping coffee on the back porch.

Don't take chances. For hunters, always be sure of your target that what you see is really what you're hunting. In other words, identify your target before you fire. Always. Make sure you take seriously what you learned in hunter education.

Know your weapon. The life you save may be your own or your neighbor's. And be certain you're not trespassing in pursuit of your hobby. Be respectful of the land where you hunt, and the neighbors around you.

Know the rules. If the land is posted "No Hunting" and you don't have personal permission to hunt

there, go somewhere else. Just as important is leaving the land as you found it or maybe better.

Each year, both private and town owned land is trashed and vandalized. Whether it's someone's idea of a private shooting range, complete with spent cartridges and beer cans, trees cut down without permission, or ATV damage to trails, the "rotten apple" spoils it for everyone else, hunter or non hunter. Clean up after yourself.

For the rest of us, this is the season when we don't want to be crashing around in the brush. Make it easy for the hunters and for yourself. Wear hunter orange when you're in an area where hunting is likely and make sure your faithful canine companion is sporting an orange scarf as well. If you enjoy wearing camouflage, it's time to change your fashion choices.

Fall is a beautiful time to be in the woods as long as we take literally the old adage that it's better to be safe than sorry.

We know the vast majority of hunters use common sense in the pursuit of their game, but in southern New Hampshire, woods and homes are close neighbors. On a clear fall morning, the sound of gunshots is a good clue that you're not alone.

Letters

Another Letter on the Traffic

To the editor,

I feel it necessary to write another letter in here about the traffic and the traffic safety committee in this town. This past week I attended another meeting and some progress was made. Ideas are being put forth into motion and experiments are going to be done, this has been a process of over a year and a half for me personally and I have used this paper to express my anger and lash out when I feel like nothing was being done, and now I find it necessary to express my gratitude with everyone at the committee and town council for moving forward with ideas.

These ideas may not do all that much in the end but it's a compromise just like everything should be and I feel like they are steps in the right direction. Maybe I naively assumed things would just happen but that's just not the way things work in any body of government and so I expressed my anger in the paper for those reasons and also feeling a lack in communication from the town.

The paper and voting is really our only way as residents to have our voices heard along with attending these meetings...either way we worked it all out and the conversations were good and I appreciate them all for taking the time to do what they do. So thank you and there is still work to be done.

On a side note, with all the building and traf-

fic in town the police among other public services are stretched thin...maybe the planning board starts dialing back some things and what they approve.

Ryan Prudhomme
Londonderry

Running for State Senate

To the editor,

My name is Nancy Hendricks and I am running for State Senate, District 14, Londonderry, Hudson and Auburn.

With my family, we moved to Londonderry in 2006, from Rindge, NH, where I held a seat on the Jaffrey-Rindge School Board. We specifically made the move to Londonderry for the great public schools, opportunities for our son, Hans, and the community support for Londonderry Schools. Hans is a recent graduate of LHS and is attending UNH.

I ran for, and was elected to the Londonderry School Board in 2011. I served the community of Londonderry for 9 years, 3 of those years as Chair. As I completed my term this past March, people were asking me "What now, Nancy?" The answer is obvious. The pandemic threw our State into an absolute crisis. Like you, I had never seen anything like the pandemic in my life. As I watched our State in crisis, with businesses closing, people being laid off, schools going to remote learning, I was driven to take action. I am not one to stand by idly in a time of crisis. With my family, I made the decision to run for State Senate.

In my conversations with voters, one thing has become crystal clear. People are tired of partisan politics. Me, too. People who have lost their jobs, have no source of revenue or healthcare, can't pay their mortgage, car payment, rent, do not care about partisan politics. They want solutions and they want to go back to work. People who own businesses and have put everything on the line to own a business, do not care about partisan politics. They want to reopen their businesses, bring back their employees and get back to business.

The only way through the many challenges we are facing is with bipartisan legislation and policy. Both Democrats and Republicans must come together and develop policies and legislation that support the people of New Hampshire, help our businesses, communities and educational systems, and it must be done in a manner that is safe and fiscally responsible.

I will take the responsibility of being your State Senator seriously, working in a bipartisan manner to meet our challenges. Partisan politics is not democracy. There is nothing more important than ensuring the principles of our democracy endure. Debate, discussion and consensus of our citizens are the cornerstone of our system and define who we are as Americans. I pledge that as your State Senator I will listen to all views and respect differing opinions. I invite you to contact me with your views

Rolling Rally for President Trump Ends in Londonderry

The Londonderry Flea Market was the last stop for a Rolling Rally of President Trump supporters on Saturday afternoon, Oct. 3. The rally began in Plymouth, Mass. and travelled north making a number of stops on the way. Many in the caravan decorated their vehicles in patriotic themes, and prizes were given out for the most creative. The rally took place as President Trump was recovering in the hospital from the Coronavirus.

Nancy Hendricks
For State Senate
Moving NH
Forward Together

Vote for Doug Thomas

To the editor,
My purpose with this letter is to make sure you are aware of the value State Rep Doug Thomas brings as he represents you in Concord that I see every day.

Doug serves on the Science and Technology House Committee that delves into complex technology issues such as Net Metering (solar panels) policy and 5G telecommunications. These issues don't get a lot of press and chatter on social media, but thank god we have an incredibly smart and technology savvy representative like Doug Thomas to have our backs. He knows his stuff.

And Rep Thomas has

a great voting record. He opposed HB 696, a bill creating a guilty until proven innocent standard for confiscating weapons from law-abiding citizens. He opposed HB 686, a bill creating a new tax on capital gains. HB 397 would make it easier for undocumented aliens to get a driver's license. Again opposed by Rep Thomas. More examples:

HB2 – creating an income tax and new taxes on capital gains, vaping, and sports betting: Opposed

SB1 – creating an income tax with rates set by an unelected bureaucrat: Opposed.

HB1 – increasing state spending by a massive \$1.5B, or nearly 13%: Opposed

HB 166 – permitting state bureaucrats to raise hidden taxes on electricity without legislative oversight and approval: Opposed

The current incumbent Democrat opponent voted for ALL of these.

Conversely, Rep Thomas voted to reduce the statewide property tax. He also voted to replace the Democrat introduced mandatory

family leave plan funded by an income tax with a voluntary plan. He supported a bill that would reduce electric rates by allowing more fuel alternatives. The incumbent Democrat voted against all these bills.

In addition, Rep Thomas voted to establish PFAS standards for our drinking water and sets up a study to further determine future actions – a critical issue for Londonderry.

Lastly, Rep Thomas always meets with and tours with the Londonderry 4th graders during their State House visits. A warm friendly tour guide from home is something the school kids remember.

My choice is clear. Re-elect Rep Doug Thomas who will continue take care of Londonderry in a smart, sensible and fiscally responsible way following the Constitution and our individual freedoms.

Tom Dolan
State Representative
Town Councilor

Biden? Really, Responses

To the editor<
It is with a degree of hesitancy that I even bother to respond to the

two letters to the editor that tried to demean me for “my” letter to the editor (Sept. 24, volume 21, issue 39) regarding Trump v Biden. But I guess I feel compelled to address some of what was said.

One of the letters talks to how the writer dictates to his family what they can watch on TV in terms of political speeches etc. Really? Afraid of conflicting views? You believe your family cannot discern for themselves what is true and correct, so you must do it for them? Hmmm. Ever hear of the term “censorship”? Ever read anything on how dictators control their media so only those who agree with them get heard, get an opportunity to put forth their perspective? Yikes! Can I assume you also tell them how and for whom to vote?

This writer goes on : “our once great nation” doesn't deserve to have a “Lying, Traitorous, Lunatic as head of the nation” and the other author maintains that I'M THE ONE who was “ranting and raving”? Sirs, ever hear of free elections? How many millions of Americans voted for Trump? Did he win an open and free

election? Are the folks who voted for him ignorant, lying lunatics too? Oh, wait, I know he hoodwinked all of us. And what about the contention that “Londonderry's IQ has been low for some time”? Let me get this

straight, our nation's best days were in the past and Londonderry residents have had low IQs “for quite some time”? To that writer, how long have you been in this nation and specifically in this town? To

continued on page 7

OBITUARY

Helen G. Rivera

Helen G. Rivera of Londonderry, NH passed away on Sept. 26, 2020 at Hanover Hill Health Care Center in Manchester NH at the age of 92.

Helen was born on Dec. 14, 1927 in Everett MA, the daughter of the late Agrippina “Agnes” (Speranza) and Leonard DiGiacomo. She was also stepdaughter to the late Mary (Cioffi) DiGiacomo. Helen was predeceased by her husband of 63 years, Daniel R. Rivera, and her brother Leonard DiGiacomo Jr.

Helen is survived by her son Daniel Rivera and his wife Roberta “Bobbi” of Dracut MA, and her daughter Andrea Almquist and her husband Mark of Londonderry, NH. She leaves five grandchildren, Lisa Dore and her partner Mike Harrison, Kristen Chartier and her husband Bobby, Michael Cardello, Tyler Almquist and his wife Cherith, and Logan Almquist and his fiancé Emily Cronan. She also leaves several great grandchildren, nieces and nephews, as well as her sister Mary Ann Canney and her husband James “Jimmy” Canney of Henderson NV.

Helen's greatest joy was her family, followed very closely by her love of shopping and food. She followed politics, movie stars and her favorite TV shows. She was an incredible person with the most positive outlook on life, always finding joy in the happiness and accomplishments of others. Helen was genuinely interested in everyone she met and you felt it. She prayed hard for others and loved them with the same intensity. There was never a holiday or special occasion that a card wasn't received from her, up to her final days.

Due to her gift of gab (and hearing loss), we have hundreds of “Helenisms.” These are phrases or comments that may or may not have anything to do with the subject being discussed. She leaves us with much to reflect upon with genuine joy and laughter. Her faith and sense of humor served her well her entire life. Saying she'll be greatly missed isn't big enough to convey the void she leaves in our lives.

Calling Hours will be held on Sunday, Oct. 4, from 5 - 8 p.m., at the Peabody Funeral Home and Crematorium, 290 Mammoth Rd., Londonderry NH. Funeral services will be held on Monday at 10 a.m., in the funeral home concluding with burial with her husband Daniel in the NH State Veterans Cemetery in Boscawen, NH. Due to State of NH guidelines, all guests are required to wear masks, minimize contact and maintain social distancing. Contributions in her memory can be made to Saint Jude Children's Hospital, 501 St. Jude Place, Memphis, TN 38105. www.stjude.org

Letters

Continued from page 6

which end of the IQ spectrum does your IQ contribute? What have you done for your fellow citizens, for the Nation, for this Town?

To the writer who lost a son in the military, my sincerest sympathy, your family has indeed paid a price.. There can be nothing worse than losing a child, regardless of why and how.

Being able to support a given political party or an individual candidate is one of the great freedoms of being an American. Unfortunately, our politicians often fail to follow through on their promises or to live up to our expectations. That doesn't make them "lunatics," it makes them politicians who value office and power over honesty and accomplishment. But we don't give up. If they fail to fulfill their promises, we have the election booth to hold them accountable.

Regards,
Bill Lynch

Propaganda Disinformation Of Demagogues

To the editor,
Trump uses propaganda disinformation against our democratic institutions. He attacks

our court systems, the FBI, intelligence agencies, Mueller's investigation of Russian meddling in our election, the Ukraine episode, the Justice Department, news media, and our military. Trump refers to journalists as "enemies of the people", which was a phrase used by Stalin in Communist Russia. Like other demagogues Trump is trying to impose his distorted will on the public and the press. His wild statements pander to far right radicals who espouse un-American ideology, including the neo-Nazis in Charlottesville VA who Trump called fine people.

Trump has threatened the use of U.S. military forces to quell protests by U.S. citizens. Members of his administration, Congress and retired generals have expressed grave concern with this attack on our democracy and Constitution.

Trump's distorted rantings and disinformation are similar to past WWII dictators and current dictators who conceal the truth from their countrymen. Trump has lied about contact with Russia, the Ukraine, the coronavirus pandemic, and a host of other things. The Washington Post reported he lied about 20,000 times during his presidency.

Our democracy is under threat by a dema-

gogic president.

Keep Carson

To the editor,
Why is New Hampshire such a great place to live? Because we have outstanding natural beauty, a doggedly independent citizenry, and liberty-minded leaders like Governor Chris Sununu and Senator Sharon Carson who are dedicated to keeping it so.

Sharon has been a hard-working, effective State Senator for Londonderry, Hudson and Auburn for twelve years, and I hope you'll vote with me to keep her on in Concord for another term. A proven fighter for the New Hampshire Advantage, Sharon favors low taxes, minimal regulation and maximum opportunity for individuals and businesses to thrive in the Granite State. She is also a proud, 17-year veteran of the Army and Army Reserve, endorsed with an A rating by the NRA, who supports our military and advocates for all who have served our great country.

It is especially important that Republicans regain majority control of the Senate on November 3 to forestall the relentless Democrat schemes to impose a state income tax – however they attempt to disguise it. New Hampshire is the #1 Best State to live in America for good reason! Let's keep it that way by voting Carson for State Senate.

Laura El-Azem
Londonderry

No Monopoly On Patriotism

To the editor,
Despite popular opinion, Republicans do not have a monopoly on Patriotism. They may dominate the flag-wavers but not patriotism. My father emigrated from Nazi Germany in 1939, came to the United States, passing the Statue of Liberty along the way, learned the English language, became a U.S. citizen, enlisted in the U.S. Army and returned to Nazi Germany to fight as part of a howitzer company and regiment translator. He became a lifelong Democrat and was proud of it. As a child, I watched him march in many Memori-

al Day and Veterans Day parades. On more than one occasion, I remember him presenting a wreath on behalf of fallen soldiers in front of our local Town Hall. Nobody has a monopoly on patriotism. As a patriotic Democrat, I believe in the First Amendment (Freedom of Speech, Freedom of Religion and Freedom of the Press) AND the Second Amendment (The Right to Bear Arms). These Amendments, particularly the First Amendment, are what makes America special. Patriotism is in my heart- not on a pole or in the bed of my pick-up truck.

I don't understand the hatred and viciousness in our country today. People can have various and differing opinions and still be good people. My wife and I live in a neighborhood dominated by Republicans, many of whom have lived their entire lives here. We have wonderful neighbors. We share food, we look after each other's pets, chat, wave,

play cards (before covid) and respect each other. We don't agree politically but we can disagree without becoming disagreeable. I don't understand how they in good conscience can support Trump and they probably don't know how I can support Biden. That's life in a democracy and in America. Trying to discuss or debate Democrat v.s. Republican is similar to debating religion. Forget it. Minds on both sides are set in concrete and that's just the way it is. So we may differ politically but we are friendly and respectful. We have lived in our home and neighborhood for 43 years and counting...

So as Americans who want America to be great let us speak freely, worship as we please, print and publish what we want to, providing it isn't libelous, and own guns if we choose. We can disagree with each other politically and still be responsible patriotic Americans.

LONDONDERRY SPORTS

Londonderry Football Shuts Down Blue Devil's Offense

CHRIS PAUL
LONDONDERRY TIMES

Still riding the high of beating their rival Pinkerton Academy and helping to secure the Mack Plaque for the first time in nearly two decades, the Londonderry High School football squad was able to keep their winning streak alive with a convincing 16-point shutout victory against the Salem Blue Devils.

The two teams met at Lancer Park on what was a beautiful fall afternoon, Saturday, Oct 3, and despite losing their starting quarterback, Dylan McEachern to a neck injury in the second quarter, the Lancers cruised to a 16-0 win and will be looking forward to another home field game on Friday night against Windham High School, who has yet to see action this season due to the

COVID-19 pandemic.

Salem came into the game riding a high of their own, after beating Alvirne High School 46-12 in their home opener, but the Lancer defense proved to be too tough as they were never able to cross the goal line on Saturday.

It was a back and forth battle between the Lancers and the Blue Devils where field position wound up being the key to the victors success.

Londonderry started the scoring about 10 minutes into the first quarter when McEachern hit pay dirt after a 10-yard run. Lancer kicker Zach Fawcett followed that up with an extra point, and that wound up being all the offense the team needed.

Fawcett added three more points on a field goal from 26-yards out as the first half came to a close, and the LHS squad had a 10-point advantage going into the half.

When play resumed in the third, neither team was able to add any points on the scoreboard.

The game ended

with a Drew Heenan 4-yard run into the end zone of the final touchdown and a Lancer win.

Aiden O'Loughlin and Drew Heenan had to split the duty in the second half of the game to replace the injured McEachern.

Heenan had three passing attempts with one completion for five yards. O'Loughlin had a total of 36 passing yards on three completions out of seven attempts.

The Lancers had 280-yards of total offense to Salem's 110 in this one. Passing was minimal for both teams, **continued on page 12**

Lancer senior Wil Reyes heads down the field against Salem on Saturday afternoon.

Londonderry Boys Soccer Squad Remains Undefeated at 4-0

CHRIS PAUL
LONDONDERRY TIMES

In case you hadn't noticed, the Londonderry High School Varsity Boys Soccer team is off to a rather amazing start this fall, as they have only given up three goals to the 14 they've dished out to opponents.

After shutting out the Pinkerton Academy Astros in two games, in the first week of the season, the Lancers went on to beat Salem High School in their duo of meetings last week. One ended in a close 4-3 overtime win, the other was a 4-0 shutout.

In the first meeting,

on Tuesday, Sept. 29, in Londonderry, Salem was the first to score, but Matt Misiaszek answered with a header from a corner kick taken by Derrick Apholz to tie things up.

In the second half, Lancer Tyler Kraft broke the 1-1 tie by scoring off an assist from Cody Hanley, Salem quickly tied it up again.

At 72:30 Hunter Smith gave the Lancer Boys the lead once again with an Anthony Ramy assist, only to see it equalized minutes later by Salem to end regulation knotted at four points each.

The first Overtime period went scoreless, but in the second Overtime period had Ryan Griffin scoring a goal to send everyone home. Christian Levantovski-Correa assisted.

Coach Todd Ellis said after the game. "I thought tonight we generated a lot of offense, and really created some nice opportunities. We are at our best when we keep our shape, and move the ball. We did that often

tonight."

Lancer Keepers TJ Cote only needed two saves while Salem's Matt Ferreira had 12.

In the second meeting of the two teams the stress level was much lower for the Lancers as they defeated the Blue Devil in Salem quite easily.

Two goals were scored in the first half, the first by Anthony Ramy at 6:20 unassisted. Ramy stole ball from a Salem defender and scored.

Erik Gagne followed that goal with a goal of his own at 25:30 assisted by Hunter Smith. Gagne followed up Hunters shot for the point.

In the second half Ramy scored again, assisted by Ryan Griffin, then Gagne got his second of the night assisted by Tyler Kraft.

Lancer keepers TJ Cote had to make just three saves, while Salem's keeper made four saves out of eight shots.

Ellis commented, "Salem has been a tough place for us to play over the years, so it

was nice to see us get a goal early. We did not generate as many shots as we did on Tuesday against them but did a better job of finishing our chances.

This week, the boys were scheduled to play

two games against the Timberlane Regional High School Owls with the first meeting at home on Tuesday, Oct. 6. The second game will be played in Plaistow two days later.

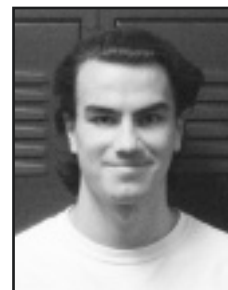

Lancer senior Ryan Griffin had a goal in the second overtime period to win a tight battle.

Lady Lancer Soccer Squad Gets Two Victories Over Blue Devils

CHRIS PAUL
LONDONDERRY TIMES

With just the one loss to Pinkerton Academy during the annual Mack Plaque competition, the Lady Lancer Soccer team has had nothing but solid wins to start this belated 2020 fall season.

The Londonderry girls' varsity squad had a total of 10 goals in the two games against the Salem High School Lady Blue Devils last week and only gave up three goals in those two contests.

In the first game, played on Tuesday, Sept. 29, in Salem, the Lancers outscored the Blue Devils by two, and took a 5-3 victory home. Leaving their season record at 2-1.

Londonderry doubled the scoring on Salem in

the first half to lead the game 2-1.

Ashley Manor was the first to score. That goal came at the five-minute mark from Mia Stowell.

Salem quickly tied things up in the seventh minute with a goal by Charlotte Hinchey from Riley Devine.

At the 30-minute mark, Marissa Hyder scored after an assist by Ashley Manor.

After the break, in the 47th minute, Mia Stowell was assisted by Madison LeClair to make it a 3-1 game, but in the 57th minute, Salem's Charlotte Hinchey got an unassisted point making it a one-goal game.

Ashley Manor widened the scoring gap with a goal assisted from Brynn Foster to make it 4-2, but Hinchey got another goal

with a Lilly Carriero assist to make it 4-3.

In the 68th minute, Mia Stowell sealed things up with an assist from Madison LeClair.

Salem had nine shots to Londonderry's 15 in this one.

Salem keeper's Kendall Migliorini and Rachel Carr combined for 9 saves.

Lady Lancer Liana Sawyer had five saves.

The two teams met again, two days later, on Thursday, Oct. 1, in Londonderry where the Lady Lancers had a much easier time putting the game away with a 5-0 shutout win.

Sophomore Stowell had a hat trick in this one, with two in the first half to lead off the scoring. Stowell was assisted by Ashley Manor, Paige

Wagner and Marissa Hyder with two in the first half and one to start the scoring in the second.

Lacey DeMeo had the fourth goal in the game with a Stowell assist.

Madison LeClair finished up the scoring with an assist from DeMeo.

Londonderry had 12 shots to Salem's eight in this one.

Julia Soucy managed eight saves for the Lancers while Rachel Carr had four saves and Kendall Migliorini had two for Salem.

Londonderry finished its week with a 3-1 season record, while Salem remained winless at 0-4.

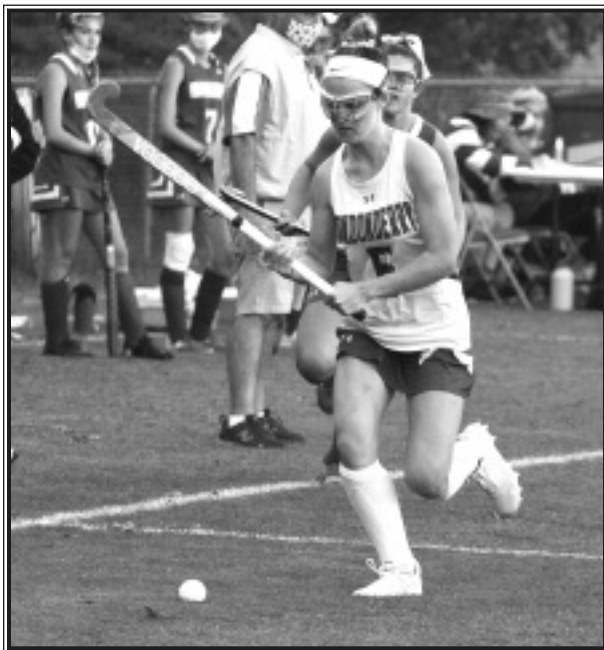

This week, the girls were scheduled to play two games against the Timberlane Regional High School Owls with the first meeting in Plais-

Junior Lancer Ashley Manor

town on Tuesday, Oct. 6. The second game will be played in Londonderry two days later, starting at 6 p.m.

Londonderry High Field Hockey Squad Hits Season's Halfway Point

Jenna Madigan had three goals against Salem.

CHRIS PAUL
LONDONDERRY TIMES

The Londonderry High School Field Hockey team headed into last week's games against Salem High School on the heels of a big win and a tie the week before against their rivals from Derry, the Pinkerton Academy Astros.

Last week's outcome was much the same as the previous, with a win and a tie.

On Monday, Sept. 28 the Lady Lancers traveled to Salem to play a team who hadn't faced

an opponent yet, and neither team was able to put a notch in the win column that day. Nor were they able to put the ball in their opponents net.

The 0-0 tie, left things up in the air, as far as who may be the better team.

Two days later, in Londonderry, on Wednesday, Sept. 30, the girls hit their stride, and score six times to the Lady Blue Devils two goals.

In that game, Jenna Madigan was Londonderry's high scorer, managing a hat trick.

The first came just 13-minutes into the game in the first period with Izzy Augusta assisting. The second was about six minutes later, and her final goal was in the fifth minute of the third quarter. That goal proved to be all the

Lancers needed to put a "W" in the win column.

Skylar Hamilton had two goals to add to the total, both unassisted. Those goals came in the middle of the first and the other came as time expired in the

third quarter.

Emily Cowette was the last Lancer to score in the game. That goal was on a penalty shot in the beginning stages of the fourth quarter.

Those two games marked the halfway point of the COVID-19 shortened field hockey season, and left the

team with a 2-0-2 season record to start the week.

The team was scheduled to play Timberlane Regional High School, in Plaistow, on Monday, Oct. 5, then play them again two days later on Wednesday, Oct. 7, on the Lancers home field.

Football

Continued from page 9

with Salem having just 11-yards and LHS tallying 41 yards.

Londonderry had well over double the amount of rushing yards that Salem had, with an uneven total of

239 to 99.

Hayden Austen the lead rusher for LHS, with 93-yards in 16 attempts. Eric Raza had five attempts and 72-yards, Heenan had 35-yards and McEachern had 23-yards.

Londonderry will attempt to keep this

year's winning streak going when they host the team they beat in the Division I finals last season for the State Championship. The game is scheduled to be played at High School on Friday night, Oct. 9, starting at 7 p.m.

Sophomore Sam Chau dives for the ball during the later part of the game against Salem on Saturday afternoon. Photo by Christine O'Laughlin

AROUND TOWN

Around Town Policy: This section is meant to be used to announce free events to the communities. If your group is receiving money for what they are publicizing, there will be a charge of \$40/week per paper. All Around Town/Calendar Items will be held to 100 words maximum. All free announcements in the Around Town/Calendar section can run a maximum of three weeks. Deadline for submissions is Monday at 5 p.m. Please send items to londonderrytimes@nutpub.net.

Pinewood Derby

On Saturday, Oct. 17, Londonderry Cub Scout Pack 901 will be holding its annual Pinewood Derby race. The Cub Scouts will race their handmade pinewood cars down a wooden track and compete for the best time. It will be held at Camp Carpenter, located at 300 Blondin Rd., Manchester. Please follow signs for the event when you arrive. Check-in time for the race is 2 p.m. All children, in grades K through 5th, are welcome to stop by and learn more about Pack 901 and Cub Scouting. We follow all CDC and Boy Scouts of America safety guidelines.

Guided Nature Walk

Come check out the latest paved section of the Londonderry Rail Trail and learn about the natural elements along this section! Londonderry Trailways and the Londonderry Conservation Commission are collaborating on this guided walk. As a bonus, the foliage colors should be great! The walk takes place on Saturday, Oct. 10 at 10 a.m. The walk should last about 90 minutes. We will meet up and depart from the North School parking lot. Our nature guides will be Mike Speltz and Deb Lievens from the Conservation Commission. People of all

ages and leashed dogs are welcome. We will be following Covid social distancing protocols including wearing masks. Hope to see you there. If you have any questions, please contact Mike Byerly at mikebyerly89@gmail.com.

Rosary Rally

There will be a Rosary Rally to pray for our country on Saturday, Oct. 10 at noon on the Londonderry Town Common. Please bring your rosary beads, a mask (highly recommended), and a chair (if needed) but leave your political signs and clothing at home. Social distancing will be enforced. Join us for a half hour or so - you'll

be glad you did.

A Grand Estate Charity Event

Grand Estate Knitting And Craft Fair to be held on Saturday, Oct. 17, at 2 p.m. - 5 p.m. The Fair will be held in the community room at 2 Golen Drive in Londonderry. All Proceeds Are Donated To Local Charities.

Legion Meeting

On Oct. 12, at 7:30 p.m., American Legion Post 27 will hold their Monthly General Meeting at 6 Sargent Rd, Londonderry. All members are welcome to attend.

Voter Information

The Supervisors of the Voter Checklist will meet at the Town Clerk's Office to correct the checklist and register voters on: Oct. 13, & 28, from 6 - 7:30 p.m. Oct. 28, is the last day to register to vote prior to Election Day. Same-day registration will be available on Election Day. To register to vote, one must provide: Proof of Londonderry residency; Proof of citizenship (passport,

birth certificate, naturalization papers); Proof of age; Photo ID. Applicants for registration who possess proof of identity, age, citizenship, and domicile should bring that proof when they come to register. Qualified applicants who do not possess proof or who do not bring proof with them may register if they sign an affidavit attesting to their qualifications for identity, age, domicile and citizenship. Any questions contact: Kristin Grages, Chair, Supervisors of the Checklist, Town of Londonderry-603-432-1100, ext 198.

Shoe Drive

Matthew Thornton PTA is conducting a shoe drive fundraiser to raise money for the school. Anyone can help by donating gently worn, used and new shoes in the two green bins outside of Matthew Thornton Elementary School. By donating gently worn, used and new shoes to the MT PTA, the shoes will be given a second chance and make a difference in people's lives around the world.

Rail Trail Nature Walk

The Londonderry Trailways is holding a Rail Trail nature walk, Saturday, Oct. 10 at 10 a.m. The guided walk will be led by the Conservation Commission. The walk will begin at the trail entrance adjacent to the North Elementary School lower parking lot and continue towards the airport. Social distancing will be practiced. For more information: www.londonderrytrails.org.

Adult Scholarship

The Londonderry Women's Club is offering a \$1000 scholarship to a local woman seeking to improve her education. To be eligible you must be a woman who is at least 23 years old, a current resident of Londonderry or an adjacent community and currently enrolled at an accredited postsecondary institution where you have completed a minimum of half the time or credits for your degree, certificate or licensing program. Applications are available online at www.londonderrytrails.org.

Classified Advertising

READERS ARE CAUTIONED that we occasionally run ads that require an initial investment or money in advance. We urge our readers to "do their homework" before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.

CART Transitions to Essential Trips only

In an effort to keep drivers and the ridership of CART safe and healthy during the COVID-19 pandemic, CART will transition to essential only. CART will communicate with all passengers who have current trips scheduled and make adjustments where appropriate. Essential travel will include medically necessary trips (dialysis, pharmacy, etc.) as well as trips to the grocery store. CART will work with passengers to accommodate the essential trips and will work on timing to be as flexible as possible. Service will remain available to all towns, 5 days a week. Any questions, concerns or comments should be directed to mwhitten@mtabus.org or phone CART at 603-792-5151. CART looks forward to restoring regular service levels as soon as this crisis passes.
