Londonderry resident, Kelsea Batchelder, volunteered her time during the recent Beautify Londonderry Fall Clean-Up effort. Kelsea picked up trash along Mammoth Road just before leaves began falling from the trees. More photos page 8. Photo by Chris Paul

## Noelle Lambert Surviving in Popular Reality Show

PAUL CONYERS  
LONDONDERRY TIMES

Londonderry native, Noelle Lambert, is currently still surviving as a contestant on the CBS show, “Survivor”. The long-running reality show is in its 43rd season and Lambert is the only granite state competitor.

Lambert was a three sport athlete at LHS and played Lacrosse at the University of Massachusetts Lowell. She currently lives in Manchester.

“My life has definitely prepared me for the game of Survivor,” stated a confident Lambert. “I was a standout player, I started every single

game, I was a leading point scorer.”

However, Lambert’s lacrosse career was cut short after a Moped accident in 2016, during a visit to Martha’s Vineyard. The accident led to the loss of her left leg above the knee.

Despite the injury, continued on page 2

## Capital Improvement Plan Hearing Taking Place Nov. 9

ALEX MALM  
LONDONDERRY TIMES

During the Oct. 12 Planning Board meeting, one of the agenda items was in regards to a workshop on the Capital Improvement Plan.

Planning Board member, Jeff Penta, questioned the rating for the elementary schools as a “2”, which means the project is deemed as necessary. He said that aside from the first two phases of Moose Hill, the rest of the schools are likely six years out and thought that it should be reflected in the CIP as that.

The project descrip-

tion states, “Renovations and construction of new areas to address current educational needs for all three elementary schools.”

“All three elementary schools are simply “old”,” the draft CIP states. “Since they were built, the methods of teaching, the curriculum have all changed significantly. Structurally, the buildings may be OK, but the HAVC system, roofing, current security needs, etc. all should be evaluated, and most likely replaced.”

In total the project estimate is \$127 million.

Penta said he wanted it to break out the differ-

ent projects and asked if the rating could be changed.

Comprehensive Planner, Amy Kizak, said the project will be looked at again next year.

“This gets revisited every year,” said Kizak.

Penta stated ultimately he wanted the ratings to be as accurate as possible based on what is happening right now.

“This is a huge ask for the town and I want the information to be as accurate as possible,” said Penta.

Planning Board Ex-Officio, Deb Paul, said it makes sense to put it as

## School District Looking to Bring Transparency Back

ALEX MALM  
LONDONDERRY TIMES

The School District is bringing information about their committees online in order to inform the public more. Interim Superintendent, Dan Black, explained they are hoping to have more transparency when it comes to the work that different committees are doing.

“Since last spring, our leadership team has been working to get school back to normal. Looking at the current state of our schools, that effort has largely paid off,” said Black. “We know getting back to

normal also means making sure all of the normal functions of a school system are running properly.”

Black said the COVID 19 pandemic disrupted a lot of their systems and they are still working to get operations back to normal.

“One of those systems is making sure the community can follow along with any committee work that happens for the School Board and School District,” said Black. “We admit that many of the paperwork and posting requirements for our committees were not as consis-

tent over the last couple of years as they should have been. We have begun rectifying this so the community can follow along with the ongoing and timely work of our various committees.”

Black added that they hope to be able to connect with the community on as many

## Survivor

Continued from page 1

Lambert returned to sports after a year, initially going back to lacrosse before trying track and field. Eventually, she worked up to the American team for the 2020 Paralympic games.

"I did not want to let the accident define my life and the rest of my life. I had tough moments, but I never wanted to show it, and that is my stubborn self. I was able to compete at the Tokyo Paralympic Games, and set a new record for the 100-meter for my classification group," Lambert explained while outlining the recent highlights of her career.

Since the accident, Lambert has engaged in motivational speaking and later founded the Born to Run Foundation, a non-profit organization aimed at "providing specialized prosthetics to young adults and chil-

dren," according to their website. The site also claims that twenty-one prosthetic donations have been made so far.

Lambert has been described as "Granite Stater all the way" according to Townsquare Media's Sean McKenna. He added that the first winner of Survivor Richard Hatch also "has NE roots".

"I don't want people to look at me and see that I'm broken, I want people to look at me and be inspired and motivat-

ed," said Lambert. "I'm absolutely going to win; I'm going to be the first amputee to win the game of Survivor." She is the third amputee to appear on the show overall.

Many viewers have already reacted well to Lambert, her story, and her performance in the initial episodes.

The current season of Survivor began Sept. 21, and Lambert has survived the first four eliminations.

# Energy Task Force Discusses Plans for the Future

PAUL CONYERS  
LONDONDERRY TIMES

The Londonderry Energy Commission met on Sept. 29 to discuss ways their group can move forward.

One issue Commission members wanted to address has been difficulties measuring the exact energy usage of Londonderry schools. This means getting a clear measurement of electricity, propane, oil, and natural gas. The Energy Committee was determined to have a preliminary presentation ready on their findings by Oct. 17 at the latest.

"I'm hoping as a first approximation, I can go into the school budget and figure out their energy, but I don't know if it's that simple," said Commission member, Michael Speltz.

Right now, the Energy Commission has been able to find raw usage numbers for Town Hall, but not the schools.

"You can get an amount of money, but that doesn't tell you your usage at all," said Londonderry resident, Christine Herez, in response to questions about usage. "I went to Eversource to get my

communities information and I went to Liberty for the gas."

However, members noted that even asking Everstone and Liberty only gives a limited view of the energy used by Londonderry. The Committee proposed a complete energy audit of the school consumption for a more accurate picture of the situation.

"Everything is changing rapidly," added alternate member, Ray Breslin, as he referred to the impact of inflation on energy costs. "Looking to the future, wow, who knows what we've got."

Membership issues were also on the meeting agenda as Sue Foley, and Rick Darveau recently stepped down from the Committee due to schedule conflicts. Londonderry

residents, Janice Harvey and Ann Fenn, have applied to fill the vacant positions. Members proposed making the new applicants alternate members of the Energy Committee. They also proposed making Breslin a full member of the Committee.

Planning for next year included a conversation on the responsibilities of the Energy Commission might evolve into a more comprehensive environmental board. Responsibilities could include water, recycling, energy, and elements of conservation with a larger committee to coordinate policy. Such a new setup would allow for greater collaboration toward shared goals.

"We would focus in

on energy, but we would also be connecting to those other groups in making it under the umbrella of the Londonderry environmental resource committee," said Energy Commission Chair, Deb Paul. "We're all talking about the electric cars, we're all talking about the solar panels, we're all talking about how we can do a better job, we're all talking on the same issues."

Solid Waste, Conservation, Beautify Londonderry, the Energy Committee, and a future Water Committee would fall under the theoretical umbrella of environmental resources. Somebody from the Planning Board would also be involved.

Members hope to put a workable plan in place for a more comprehensive

presentation to the Town Council and School Board.

The Londonderry Energy Commission tentatively scheduled a quick meeting for Thursday, Oct. 13, to discuss

their presentation. The next full meeting is scheduled for Monday, Nov. 7. Meetings occur in the Rangeway Meeting Room at 7 p.m., unless otherwise noted.

## OBITUARY

### Renald (Ronnie) R. Dube

Renald (Ronnie) R. Dube, 91, of Manchester, died Oct. 14, 2022, after a long & happy life. He was born March 30, 1931, in Manchester, one of 14 children to Ephrem and Doria (Champagne) Dube.

He was known for being quiet & reserved, which was usually followed with a witty comment (or two) that always kept everyone laughing.

He was predeceased by his wife, Martha F. (Daskey) Dube in 2021 & 10 of his siblings.

Ronnie is survived by 2 sons Robert & Mark of Manchester; brother, Emile Dube of Bedford; 2 sisters, Grace Martel of Oshkosh, WI, & Constance Lemieux of Manchester; 5 grandchildren, 11 great-grandchildren & many nieces, nephews, & cousins.

There are no calling hours. Peabody Funeral Homes & Crematorium is assisting the family with arrangements. In lieu of flowers, please keep the family in your thoughts & give your loved ones an extra hug. To post a condolence please visit [www.peabodyfuneralhome.com](http://www.peabodyfuneralhome.com).

## Losing a Legend

For a few months now, we have known that we may be losing Derry's Police Chief, Ed Garone, it began with a massive retirement party held on June 1, celebrating his 50-years of service. Hundreds gathered at the event and paid tribute to his long-standing service to the community.

On June 29, the town of Derry honored Garone by naming the Police Station as the Edward B. Garone Building.

On Sept. 30, a final tribute was conducted by the department and the town, as he officially relinquished his post to George Feoli during a parade that rolled by Garone and his family at the Greater Derry Boys and Girls Club in East Derry.

Sadly, Ed lost his battle with cancer last week and now there will be a large void in the lives of anyone that had the pleasure of knowing him.

Besides his duty as a police officer, Garone sat on countless boards as well as giving up much of his personal time to help with community committees and clubs.

He was always available for fund raising efforts by the Derry Rotary, where he was a 48-year member and past president.

He would lend a hand to the Derry Garden Club, a club his wife Blanche has had tremendous involvement in.

Over the years, we had countless interactions with Ed and we can personally name a number of occasions where Garone showed why there will

never be anyone that will match his devotion to the community.

He would always greet you with a smile, a handshake, and a joke. We loved that about him. It never seemed like you were talking with the Chief of Police, he was just a guy who loved volunteering.

One moment that always stands out to me took place during the annual Derry Rotary Auction. I was looking at a roll-top desk that was sitting out in the viewing area, but noticed a draw side was missing. I asked Ed if he had seen it and he suggested we check the dumpster.

Sure enough, someone had thrown it out. It was in pieces. "You want it?" he said. I figured I could glue it back together, so I told him I'd climb in and retrieve it.

Ed stopped me, "I'll get it." He jumped over the five-foot high dumpster and retrieved every broken piece.

I'll always remember that moment and I can't imagine many others would have done the same.

Another memorable moment was when a friend told me of the time he and his father-in-law, who was a veteran, were in line at a store when Ed engaged with them, and offered them a trip to Washington through the Rotary.

He didn't know Ed, but was instantly taken by his kindness.

We will surly miss Ed Garone, he was a great man to have known and we're sure has left an impression on

# Letters

## Town Budget Increases to Come?

To the editor,

When I read the article titled: "Committee Prepares for This Year's Budget Season" on the front page of The Londonderry Times Sept. 29 issue, I did a double take when I read the following:

"Director of Public Works, Dave Wholley, stated that Public Works needs a budget increase of 50% on vehicle maintenance and a 40% increase in the salt budget to keep roads clear next winter." (By nature of the article, this implies the winter of, and associated budget of, FY 2024, not this coming winter.) It is always a good thing for department heads to give as much advance warning of impending budget increases to their projected budgets as possible but increases of that magnitude certainly got my attention. I too, would like to have a 40 or 50% increase in my income stream but that's just not going to happen. After just closing the books on a fiscal year which included record breaking residential property tax bill increases, massive budget increases for whatever reason are simply untenable. I trust our Budget Committee as well as Town Council will fully scrutinize this (and all other) budget increase requests.

Respectfully,  
Robert R. LeBreux  
Londonderry

## In Support

To the editor,

Kristine Perez has been my friend and neighbor for the 14 years I have lived in Londonderry. We both reside in a

Senior Community. Kristine has always worked diligently to keep our residents informed and to help save us money through her hard work and research on items that are vital to us.

I know her as a focused individual who is determined and not easily discouraged despite the challenge.

She always speaks the truth and spends much time making sure she is well informed before taking a stand on issues.

I have no hesitation asking you, the residents of Londonderry, to vote for this individual that I am proud to call my friend.

Please cast your vote for Kristine Perez on Nov. 8, 2022.

Martha Tomanelli  
Londonderry

## Enough is Enough

To the editor,

If you shop for your family, you know: butter, up 40%; flour, up 25%; eggs, up 115%! Compared to September 2020 we've seen astonishing price increases at the grocery store, driven in large part by skyrocketing fuel costs: natural gas is up 64% in the same time period; gas at the pump up 73%; diesel fuel up 116%! These numbers, from the Bureau of Labor Statistics ([www.bls.gov](http://www.bls.gov)) are not the result of uncontrollable geopolitics or bad luck, they are driven, BY DESIGN, by the disastrous policies of Joe Biden and the Democrat majority. He campaigned on this! "No more drilling, including offshore, no ability for the oil industry to continue to drill. Period. Ends." (Tapper debate,

3/15/20)

The Democrats' touted "transition" is based on fantasies and fallacies. Their efforts to wrench away relatively clean, abundant domestic energy sources from a humming economy before alternatives were available and affordable has proved catastrophic, and it will get far worse when winter hits. People are already suffering. Enough is enough! Please get to the high school on Nov. 8 and vote for every single Republican on the ballot, all the way down the line. We need all Republican hands on deck to preserve fiscal sanity in NH and defend against the Democrat's disaster in DC.

Laura El-Azem  
Londonderry

## Betrayal of our Country

To the editor,

The following is directed to my fellow Republicans, Undeclared voters, and Democrats (whose patriotism align with President John F. Kennedy and Representative Tulsi Gabbard, rather than the despise-America rhetoric of Nancy Pelosi and AOC).

Betrayal - the action of deceiving one's country, a group, or a person; treachery.

The Biden administration, the current 50 Democrat senators, and the current Democrat controlled House of Representatives have betrayed our country's citizens and its posterity. Their direct betrayal, or inaction to stop treacherous behavior, include -

National sovereignty is being betrayed with an

## Letters

Continued from page 4

open southern border. Unvetted illegal aliens, some of whom traffic women and children, swarm our border. Other illegals and drug cartels, enabled by the Biden administration who turn a blind eye, smuggle in an unprecedented amount of fentanyl which kills over 150 Americans PER DAY from overdoses.

National security is being betrayed by draining the Strategic Petroleum Reserve – not for a national emergency, but rather in an attempt to

prop up the Democrats until the mid-terms have passed.

Women's sports have been betrayed by allowing failed male athletes to "identify as female" and steal the amazing accomplishments of women.

Law and Order has been betrayed by those who defund the Police and by the Attorneys General who refuse to prosecute those who break the law.

Energy independence has been betrayed within a year and a half. Our country was a net energy exporter, only to be handcuffed by Biden's executive orders and the

radical left's policies. Never forget how Biden now pleads with Saudi Arabia, Venezuela, and Russia to increase their oil production to us.

The innocence of children has been betrayed by allowing them to be mutilated with insane gender reassignments, corrupting their minds by teaching CRT, and encouraging them to attend drag shows performed by sexually deranged adults.

Economic security has been betrayed by those who waste Trillions for pork barrel spending and foreign aid to countries

that hate us. While our 401k's are plummeting, gas and oil, food, housing, and all our other costs of living have risen dramatically.

In 1967 during his inaugural address, Governor Ronald Reagan prophetically stated – "Freedom is a fragile thing and it's never more than one generation away from extinction. It is not ours by way of inheritance; it must be fought for and defended constantly by each generation, for it comes only once to a people. And those in world history who have known freedom and then lost it have never known it again."

On Nov. 8, Freedom is on the ballot. The fight is before us. Let us endorse, support, and most importantly VOTE for those who will restore our country to its greatness. On Nov. 8, please vote for Karoline Leavitt

for CD1 and the entire roster of #AmericaFirst GOP candidates.

God Bless America.  
Brian Crowley  
Londonderry

## OBITUARY

### William Albert Fecteau

William Albert Fecteau, 76, of Londonderry, NH, passed away Tuesday Oct. 11, 2022, surrounded by his loving family in Dartmouth-Hitchcock Medical Center, Lebanon, NH. Born in Laconia, NH on Oct. 1, 1946, a son of the late Leon & Florence (LaLiberty) Fecteau. Bill was a graduate of St. Thomas Aquinas High School where he was the captain of the football team. He operated his own flooring installation company & was considered one of the best in the NE region. Bill was an avid sportsman who enjoyed the outdoors. He loved to hunt and fish, particularly the annual Father's Day fishing trip to Pittsburg, NH. He enjoyed playing softball & bowling in leagues while the family lived in Newmarket, NH. Bill rooted for the local professional sports teams, & especially loved to cheer for the New England Patriots & the Boston Red Sox. He loved to play cribbage with family & all his friends at the Londonderry Senior Center.

He is survived by his beloved wife of 59 years, Patricia M. (Routhier) Fecteau, two sons, William Fecteau and his wife Martha; and Gary Fecteau and his partner Mari; one daughter, Christine Fecteau; three grandchildren: William, Erinn, and Hayden; a brother, Bruce Fecteau and his wife Linda, as well as many nieces, nephews, cousins and extended family.

Following cremation, memorial calling hours were held on Monday, Oct. 17, in the Peabody Funeral Homes & Crematorium. A Mass of Christian burial followed in St. Jude Parish, 435 Mammoth Rd., Londonderry, NH. In lieu of flowers, memorial contributions may be made to Dana Farber Cancer Institute, 40 Buttrick Rd., Suite B Londonderry, NH 03053.

## CIP Hearing

Continued from page 1

a four or five rating so people know what it is rated as of now and if there are new members of the Board in the future they don't think that the current Board thought it was a top priority right now.

Planning Board member, Ann Chiampa, said she wanted them to prioritize the needs versus the wants for the high

school project in order for it to get approved. The high school, which had an estimated cost of \$98.75 million for the different proposed projects was rated as a 3, which means desirable.

"That might be more amenable to the public," said Chiampa.

Kizak said they are needs and not wants based on the 10 year master facility plan.

"That will be discussed further by the

school board,"

Chiampa said for example she wanted to see the gym and auditorium to be separate.

Planning Board member, Jason Knights, said he felt it made sense to have one budget number.

"I think it does make sense to have it part of the larger number," said Knights.

Town Council Chairman, John Farrell, said it is the first time in 15

years that he wasn't on the CIP committee, the CIP is used for transparency and so people know what might be coming.

He added that by changing the rating they would take that visibility away.

"You're taking away the visibility," said Farrell. He stated they should continue to have discussions about it.

"You want to have it part of all conversations," said Farrell.

The Planning Board ultimately approved chan-

ging the rating for the elementary school project to a five, which stands for being "premature."

The Planning Board will be holding a public hearing for the CIP plan during its Nov. 9 meeting starting at 7 p.m.

## School

Continued from page 1

issues as possible.

"We are here to engage with the community on the many issues that surface through this committee work; we know progress comes from dialogue with the community and transparency," said Black. "Please reach out to us with any further questions and needs."

One of the committees includes the "C3 Committee", that meets about six times a year. The focus includes curriculum, technology, and special education topics that are discussed first

in C3 before they are brought to the board.

Another committee is the "communications committee" with a focus on maintaining all current communication initiatives and to look at building best practices to communicate with the community.

A newly formed committee is the kindergarten committee that will be meeting every three to four weeks during the school year. The goal is to get feedback on full day kindergarten.

One committee that the district currently has is a superintendent search committee which

has a goal of hiring the permanent superintendent for the school district.

The school district also has the facilities study committee, which currently doesn't have a charge from the school board and the wellness committee, which meets three times a year. The wellness committee is a federally mandated committee that they need to have as part of the school lunch program.

Full details about the different committees including contact information for the committees can be found on the Londonderry school district website.

# OBITUARY

## Chief Edward B. Garone

Chief Edward B. Garone, 79, of Derry, passed away on Tuesday, Oct. 11, 2022 at his home in Derry. He was born in Haverhill, NH & lived in Bradford, VT until the family relocated to Queens, NY returning to Bradford, VT as teenager.

He is survived by his loving wife of over 57 years, Blanche (Wormwood) Garone; son, Michael Garone, of Derry, and his wife, Rebecca; daughter, Vicky Moran, of Lebanon & her husband, Frank; his grandchildren, Aiden Garone, Alexander Garone, Maureen Marquis & her husband Ryan; & his two foster grandchildren, Carleigh Sullivan & Ethan Sullivan Dupuis. He is also survived by his brother-in-law, James Wormwood of Elyria, OH; & extended family members & friends.

He is predeceased by his parents, Francis A. Garone, Sr. & Winifred (Barry) Garone; his brother Francis "Gary" Garone, Jr., & his wife Mona; & sister, Nancy McHugh.

Chief Garone's life was dedicated to public service, serving a 3-year tour of duty in the US Marine Corps from 1961-1964, stationed for 16 months in Iwakuni, Japan & was assigned to the 2nd Marine Division completing his service on Aug. 31, 1964.

After returning home from the Marine Corps, he began his career in law enforcement as a Police Officer in Lebanon, NH being sworn in on Oct. 15, 1964. Where he quickly rose to the rank of Captain. On June 1, 1972, at 29 years old, he became the Chief of Police for the Town of Derry. He served as the Chief of Police for the Town of Derry until his retirement on Sept. 30, 2022, after serving 58 years in law enforcement & serving the community of Derry for 50 years & 4 months.

He had a long dedication to the Derry community, exemplified by his unparalleled community and civic minded devotion to many organizations. In 1984, the Derry Chamber of Commerce recognized him as its Citizen of the Year.

He was a member of the Greater Derry Boys & Girls Club Board of Directors for over 45 years. The Club recognized him as Volunteer of the Year, he was a past President of the Club, & Chairman of the Capital Campaign to build a new Club.

Chief Garone was also a member of the Derry Rotary Club for over 48 years, serving as President & was a Member of the Board of Directors. He received the Paul Harris Fellow recognition & was awarded Rotarian of the Year for 1987-1988 & was the longest serving Rotarian.

He was also the Director of the Derry Veteran's Assistance Fund & was one of the initial Board of Directors & served as past President.

Chief Garone also served on the Board of Directors & as President for the Vivian Leon Memorial Foundation, a charitable foundation that provides funds each year to local charities.

Over the years he also served on the Board of Directors for the Alexander Eastman Foundation & for the Seacoast Child Advocacy Center.

He served as a Board Member on the New England State Police Information Network (NESPIN).

Over his 50-year tenure as Chief of Police for Derry, he was instrumental in the formation of the first regional special operations unit in NH, the Southern NH Special Operations Unit. He served as President of the Board of Directors since its inception in 2000.

He was an active member of the NH Association of Chiefs of Police (NHACOP) since being appointed Chief in Derry. He ascended through the Chairs & served as President in 1981 & subsequently, he became Secretary for the Association in 1990 & maintained that roll until his retirement. The Association awarded him the Lifetime Achievement Award in 2008.

In 2015, he received the NH Congressional Law Enforcement Award for Career Service for his 50 years of outstanding dedication and commitment to NH Law Enforcement.

He also had a family home where he was born & raised in Bradford, VT. In 2006, he became a Commissioner for the Bradford Police Commission responsible for the oversight of the Department. In 2010 the Commission was renamed the Public Safety Commission, with additional oversight of the Fire Department & Rescue Squad, he served on until the time of his death.

There are no calling hours. Graveside services concluding with military honors will be held on Thursday, Oct. 20, at 9 a.m., at the NH State Veteran's Cemetery, Rt. 3, Boscawen, NH. The Peabody Funeral Homes & Crematorium are assisting the family with arrangements.

In lieu of flowers, the family has requested donations be made to the Greater Derry Boys & Girls Club. Donations can be made via How to Help ([derrybgclub.org](http://derrybgclub.org)) or sent to the Greater Derry Boys & Girls Club, P.O. Box 140, East Derry, NH 03041.

# Senior Citizens Inc. to Hold Annual Holiday Craft Fair and Cookie Walk

**L**ondonderry Senior Citizens Inc. will once again be holding its annual Holiday Craft Fair and Cookie Walk.

The event will be taking place on Saturday, Nov. 5, starting at 9 a.m. and ending at 3 p.m.

The annual holiday fair will take place at the Londonderry Senior Center at 535 Mammoth Road, Londonderry.

Local craftsmen and artisans will be displaying and selling their goods – perfect for gifts for that special someone.

Craft items will include: jewelry, home-made woodcrafts, de-

signer jams and pickles, photographs, artwork, crocheted and knitted items and more.

## Cookie Walk:

A large variety of cookies will be ready for you to choose. Purchase a bag and pick up a delicious assortment of holiday treats without even turning on your oven. Come early for the best selection.

## Raffle Baskets

Raffle Baskets are already on display at the Senior Center. These beautiful baskets have been donated by our members and local businesses. Tickets, 6 for \$5,

are available from now through the Fair on November 5. Drawing to be held at the end of the Craft Fair.

Santa Claus will also be visiting the Senior Center, again, during the Holiday Craft Fair. Good girls and boys can bring their lists for Santa and they will each receive a small gift from the "Jolly Old Elf".

Bring your camera and snap a digital picture. Kids can also make

a Free Holiday Craft.

Food and Beverages will be available for purchase from Londonderry Senior Citizens Inc. (LSCI), a 501(c)3 organization.

Fair proceeds go towards supporting materials and equipment for the Center as well as helping local organizations, which serve seniors.

For more information call Bonnie Ritvo at 603-432-8554.

# Beautify Londonderry Holds Fall Clean-Up & Textile Recycling

The Beautify Londonderry Committee held a Fall Clean-Up event last week and members of the Londonderry High School Green Council volunteered their time to pick up along Mammoth Road near the Town Forest. The Committee outfitted roadside clean-up volunteers with safety equipment and trash bags to pick up trash and other debris. New this year, the group spotlighted the issue of textile waste. Ecosmith Recyclers of New Boston, collected textiles - clothing, bedding, towels, leather goods and shoes for eventual recycling.

## Lancers Bust Broncos, Kullman Breaks Receiving Record

Senior Lancer Andrew Kullman was able to break a 37-year-old receiving record Friday night.

CHRIS PAUL  
LONDONDERRY TIMES

The Londonderry High School Football team easily took care of Alvirne in their final home game of the regular season and fans also got to witness senior Andrew Kullman break a 37-year-old receiving record.

The Lancers managed to give themselves a 35-0 lead after just one quarter in the game, scoring five touchdowns in that period, and also watched Kullman surpass the receiving record set back in 1985 by Don MacDonald who had 1,228 total yards.

The 49-14 win gave LHS six straight division wins and sets them up

with just two games against teams with losing records to finish out the season.

This was the first game the Hudson team had played following the loss of two players due to a tragic accident recently.

It took just four plays for Londonderry to score its first touch-

down. Senior Andrew Soucy ran up the middle from the Lancer 49-yard line to make it 7-0 with senior Jack Drabik getting the point after.

After a quick three-and-out by the Alvirne offense, LHS went right back to work starting at the AHS 41-yard line.

On second down, junior Jake Perron ran

another ball up the middle, this time for a 41-yard TD to make it 14-0 at 8:51.

The following drive for the Broncos resulted in a failed punt attempt, giving LHS the ball starting on the AHS 25-yard line.

Londonderry quickly took advantage of the

## Athletes of the Week

Week of Oct. 10

### Kate Sloper Sophomore, Soccer

Kate demonstrates leadership skills both on and off the field. She is committed to working hard and leaving everything she has on the field. Kate is a defensive minded player that ensures her back line is organized and communicates well. She is a reliable and steady teammate and friend.

### Drew Cameron Senior, Golf

Drew capped off his outstanding Lancer golf career by finishing in the top 10 at the NH State Golf Championship. Drew was an integral part of his golf team reaching the State Tournament two years in a row. He led the team in scoring, averaging a 41 and qualified for the individual State Championship by shooting a 2-over 74 at Bretwood G.C. on Oct. 13.

# Lancers Boys' Soccer Suffer Two Losses

CHRIS PAUL  
LONDONDERRY TIMES

The Londonderry High School Soccer squad suffered two losses last week and currently sit in 15th spot in the Division I standings where they are dangerously close to the cut-line for the NHIAA playoffs with just two games left to play in the regular season.

The Lancers (5-6-2) week started with a home game against Bishop Guertin (8-5-1) at home on Wednesday, Oct. 12, where, despite getting a two-goal lead to start the second half, Londonderry fell 3-2 in the first overtime period for the tough loss to the Cardinals.

The Lancers got on the board in the first half, at 39:40, when sophomore Brett McKinnon scored with the

assist coming from sophomore Tiago Keyes.

In the second half Brett McKinnon widened the lead to two goals in the 44th minute with an assist from Cristian Levantovski Correa.

Regulation ended after two Cardinal goals to send the game into overtime. The first came in the 48-minute and the second was in the 63-minute.

Bishop Guertin got the game winner in the seventh extra minute.

Lancer junior goaltender, Ethan Munro, had two saves in the loss.

Head coach, Todd Ellis, commented after the game, "This game started out well for us, but to BG's credit they kept fighting and were able to get themselves back into this one, and win it in overtime."

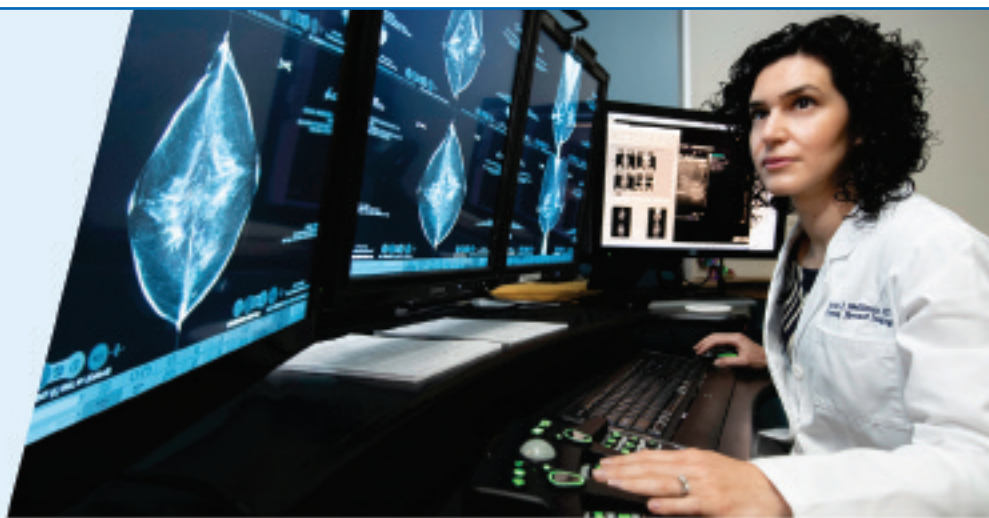

*Sophomore Brett McKinnon scores the only two Lancer goals last week.*

The Lancers finished the week the following day with a trip to the seacoast, where they had another one-goal loss. This time to the Winnacunnet Warriors, who won 1-0 and handed LHS its seventh loss of

the season.

Londonderry will face the top and bottom DI teams as they wrap up the final week of the regular season and hope to get into the NHIAA playoffs as one of the top 15 out of 22 teams.

## Care You Can Count On.

# Londonderry Field Hockey Start Playoffs as Ninth Seed

CHRIS PAUL  
LONDONDERRY TIMES

The Londonderry High School Field Hockey squad finished

their regular season last week with a 1-0 overtime loss to the crew from Concord High School at home on

Wednesday Oct. 12.

The one-goal loss put the Lancers in the NHIAA playoffs as the ninth seed and they will

need to beat the eighth seeded Keene High School Blackbirds on that team's home field to continue in the playoff.

If they win the Thursday, Oct. 20, Preliminary Round game, they will then need to beat the number one seeded Winnacunnet Warriors in the Quarter Finals.

Londonderry finished the season at 7-9, Keene ended the regular season at 7-8 and Winnacunnet had a 14-1-1 record to gain the number one seed in the tournament.

In the final game of the regular season, at home, the Lancers battled hard, but were never able to gain enough offense to put the ball in the back of the box despite a number of opportunities.

Their defense and

goal tending kept them in the game for all four quarters of regulation, but gave in early in the first period of overtime.

The Crimson Tide finished the season at 11-5 and entered the NHIAA tournament as the number six seed.

The Lancer Field Hockey team had a number of opportunities in front of the Concord goal last week. Photos by Chris Paul

# Lancer Volleyball Squad Add Three More Victories

CHRIS PAUL  
LONDONDERRY TIMES

The Londonderry High School Volleyball squad continued their winning ways last week with three more strong victories against Division I opponents.

The Lancers first win of the week came in the state capital, on Tuesday, Oct. 11, where they were able to come away with a 3-0 straight set victory against the Concord High School Crimson Tide.

This was the team's twelfth win of the season and their eighth shutout.

The following night, on Wednesday, the LHS volleyball squad moved to 13-1 with a 3-1 victory

over the Goffstown Grizzlies at home. Londonderry dropped just one game, winning 25-26, 23-25, 25-20 and 25-20.

The Lancers had a number players performing exceptionally well.

Junior Ally McGonagle had 21 kills; senior Lexi Small added another 37 assists; senior Madi Saucier got eight kills and three aces; freshman Riley Campo managed four kills and four blocks; junior Liv DeFazio stepped up for seven kills; junior Abby Harrington had three aces and five digs; and senior Lacey Turner tallied six kills.

Two nights later, at home, the Londonderry squad celebrated senior night with another

straight set victory.

The team got by the Timberlane Regional High School Owls 25-20, 25-21 and 25-15.

All nine of the teams seniors had productive evenings and helped push the Lancers record up to 14-1.

Becca Tinkler got seven kills; Ashley Sarazin had three kills and a block; Sydney Rankin put up 18 assists and two aces; Shannon Ball got five kills and three digs; Bella Elgueza-bal put in two assists and two digs; Samantha Fortier got two aces; Lexi Small tallied nine more assists and six kills; Madi Saucier had four kills and two aces; and Lacey Turner finished with five kills.

# Football

Continued from page 9

Broncos miscue when senior quarterback, Drew Heenan, completed his pass to Kullman for the three touchdown lead on a 21-yard pass into the end zone with just over six-minutes left in the opening quarter.

The Lancers scored two more times to end the quarter. One at 1:26 by senior Anthony Amaro, who ran for a five-yard touchdown and the other by senior Michael Palma on a one-yard run after Kullman

caught his send pass of the game for 14-yards. Every point-after attempt made in the quarter by Drabik was successful.

With the 35-0 lead, the LHS starters exited the game and the lopsided lead lasted until halfway through the third quarter when AHS finally put eight points on the board.

The final two Lancer TD's were scored by junior Matthew Carroll with a 9-yard run and sophomore Dean Kidder run for a five-yard touchdown.

Two point-after kicks were made by sophomore Mike DiGiantomaso.

Londonderry had 310-yards of offense in the game, 246 on the ground and 64 in the air.

Heenan threw the ball seven times, with four completions.

Soucy got 69-yard rushing, to lead the Lancers on two carries and Perron got 49-yards on two carries.

The Lancers will travel to the seacoast on Friday night, Oct. 21, to face the Winnacunnet Warriors.

## UNSECURE BORDERS AND DRUGS POURING INTO OUR COUNTRY

In less than 2 years, a record-breaking, 5 million illegal immigrants have crossed our Southern Border. On August 7, the Senate considered three emergency measures to secure our wide open border and stop unprecedented illegal immigration from over 100 different countries:

1. an amendment to hire thousands of new desperately-needed Border Patrol agents. (Rollcall Vote No. 297)
2. an amendment to remove illegal immigrants with FELONY criminal convictions. (Rollcall Vote No. 322)
3. an amendment to end catch-and-release on the Southern Border. (Rollcall Vote No. 294)

All three proposals were defeated on strictly party lines in the Democrat-controlled Senate. **Every single Senate Democrat** voted to kill the amendments and make sure illegal immigrants continued to pour into our country.

# Classified Advertising

**READERS ARE CAUTIONED** that we occasionally run ads that require an initial investment or money in advance. We urge our readers to "do their homework" before responding to any ad, check out the advertiser thoroughly and verify their claims to your total satisfaction. Only then should you proceed at your own risk. We try to screen ads that require you to send money before receiving a product or service. But these efforts are no substitute for your own investigation, and we don't endorse or guarantee any claims made in any of the ads we publish. If you want more information about claims made in ads on subjects such as work at home opportunities, travel or vacation specials, purchasing land or vehicles from government surplus or below wholesale, loans or other credit opportunities (including credit repair), or weight loss and other health products and services, we urge you to contact the Office of Attorney General, Consumer Protection Bureau, 33 Capitol Street, Concord, NH 03301 (603-271-3641) or the Better Business Bureau at 603-224-1991. Publisher is not responsible for any loss of business if an ad does not run, and we reserve the right to revoke any ad if deemed necessary. No refunds will be given for prepaid ads.

### GriefShare

Are you grieving the loss of a loved one? You are not alone. We invite you to attend a GriefShare support group taking place at Orchard Christian Fellowship, 136 Pillsbury Rd., Londonderry. Choose to attend on Tuesdays at 10 a.m., or Mondays at 6 p.m. Register at [www.orchardnh.org](http://www.orchardnh.org). For

more information, contact Lynne at [lynne@orchardnh.org](mailto:lynne@orchardnh.org).

### Legion Football

Every Sunday during football season food is being served for only \$10 at 3 p.m. at American Legion Post 27, 6 Sargent Rd., Londonderry. The menu will change weekly and will be posted on Facebook, at the Post and sent via email.

### Voter Information

The Supervisors of the Voter Checklist will meet at the Town Clerk's Office to correct the checklist and register voters on: Nov. 1, at 6 - 7 p.m. To reg-

ister to vote, one must provide: Proof of Londonderry residency. Proof of citizenship (passport, birth certificate, naturalization papers) Proof of age. Photo ID. Applicants for registration who possess proof of identity, age, citizenship, and domicile should bring that proof when they come to register. Qualified applicants who do not possess proof or who do not bring proof with them may register if they sign an affidavit attesting to their qualifications for identity, age, domicile and citizenship. Questions contact Kristin Grages Supervisors of the Checklist Town of London-

derry at 603-432-1100, ext 198.

### Respect Life Essay Contest

The NH Knights of Columbus is once again sponsoring a Student Respect Life Essay Contest. The contest is open to any Jr-High (grades 6,7,8) and Sr. High (grades 9,10,11,12) student in NH. The NH Knights of Columbus will make up to six cash awards of \$100. You do not have to be a member of the Knights or a Catholic. The theme for this year's contest is: "Even though the Supreme Court ruled there is no "right" to abor-

tion in the Constitution (Dobbs), many mothers still experience fear and uncertainty. What can I do to help make abortion unthinkable?" Deadline: Midnight, Dec. 15, Rules: Essays may not be longer than 500 words; typed, and submitted as a PDF or Word Document and e-mailed to [matu19@comcast.net](mailto:matu19@comcast.net). Include student name, age, grade, school, parent name and address, phone, parish and email. Students may obtain help & information, including from parents, teachers, friends, and internet, but the essay itself must be their own work. Further

contest details may be obtained from K of C NH contest chairman John P. Matuszewski (603-434-4098) or K of C NH State Pro-Life Chairman Ron Distasio (603-595-7837).
